EDJH 385 Principles of Tech: Mid	3 credits		
	12 credits		**15 credits**
			Total 120 credits

***Notes:** The University Core Curriculum (UCC) has three tiers. UCC courses may have prerequisites and/or restrictions to specific majors/minors. For course descriptions and requirements consult the online BSU Catalog (www.bsu.edu/catalog). Each course is identified with its credit hours and courses vary from 2 - 5 credit hours. A student must take as many credits as needed to total 120 semester credits to graduate.

The **Bachelor of Arts (BA) degree** program is also available and requires two years (or the equivalent) of study in one foreign language, normally courses through the 202 level.

A student preparing to **student teach** at the all-grade level is required to spend a minimum of ten weeks in student teaching.
