ADVISORY BOARD MEMBER

Lois A. Green, ASID

Lois Green is an Interior Designer with K.R. Montgomery & Associates in Anderson Indiana. As a part of our interior design team, Lois brings a wealth of diverse experience in designing environments for people to work, learn, and build community. In 2006, The Eastside Elementary School project won the Gold Citation for Common Areas –Outstanding Design for Media Center from American School & University's Educational Interior Showcase & the Architectural Portfolio Outstanding design Award. She works closely with the design architect to ensure a project's space planning, finish selection, furniture design, and signage plan to preserve the entire project vision.
