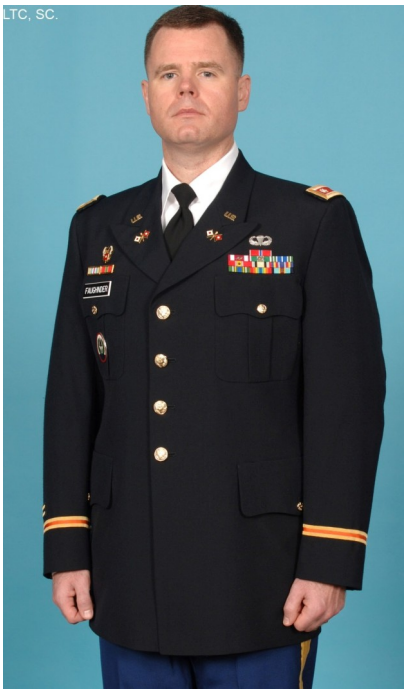
LTC Faughnder



Veterans Day Ceremony

This Friday, November 9, 2012, at 11am, the Student Veterans Organization will be hosting their annual Veterans Day Ceremony in the Student Center Ballroom. This will be a memorable event designed to honor veterans from the past century. Our Honor Wall will be set up outside the entrance to the Ballroom and will include photographs of Ball State Community veterans and those close to the Ball State Veterans Affairs office. These photographs will eventually be put on our website for everyone to view. They will also be displayed in a powerpoint presentation during the ceremony. Furthermore, LTC Faughnder, a Ball State alumni, will be coming from Fort Hood, Texas, to speak to the audience about the importance of this day. He was a part of Ball State University's ROTC program and commissioned as a second lieutenant upon graduation in 1994. In 2006, he deployed to Iraq and was embedded with the Department of State, helping provincial leaders establish basic forms of government. Currently, he is stationed at Fort Hood as the Division Signal Officer for 1st Cavalry Divison. He along with other veterans will be in attendance to show how Ball State honors this day. Please join us on Friday, November 9, 2012, at 11am if you can!
