October 28, 2008

CURRICULUM VITAE

RAYMOND S. DEAN

Ball State University
Neuropsychology Laboratory (TC 905)
Muncie, Indiana 47306
Office: (765) 285-2289
Home: (765) 759-0048
E-mail: rdean@bsu.edu

Education

Ph.D.	Arizona State University School/Child Clinical Psychology (APA Approved)	1978
M.S.	State University of New York at Albany	1974
B.A.	State University of New York at Albany Magna cum laude	1973
Internship	Arizona State Neuropsychiatric Hospital	1978
Post-Doctoral	University of Wisconsin	2000

Scholarly Honors

Fellow American College of Professional Neuropsychology	2008
Life-Time Achievement in Neuropsychology Award National Association of School Psychologist	2005
Fellow Society for Behavioral and Cognitive Neurology	2004
Elected Who's Who in America	2003
Diplomate American Board of Pediatric Neuropsychology	2002

Elected Member
Society for the Study of School Psychology 2002

Fellow
Clinical Psychology Society 2000

Past President Award
National Academy of Neuropsychology 1992

George and Frances Ball Distinguished Professor
of Neuropsychology, Ball State University 1993

Fellow
American Academy of School Psychology 1990

President 1990
Division 40, American Psychological Association

Distinguished Professional Contributions Award 1990
National Academy of Neuropsychology

Elected Member
Society for the Study of School Psychology 1988

Ball Distinguished Professor of Neuropsychology 1987
Ball State University

Outstanding Researcher Award 1987
Ball State University

President 1987
American Board of Professional Neuropsychology

Diplomate 1987
American Board of Professional Psychology

Editor 1986
Archives of Clinical Neuropsychology

Editor 1985
Journal of School Psychology

Service Award American Psychological Association, Division 40	1985
President National Academy of Neuropsychology	1984
Fellow American Psychopathological Association	1984
Diplomate American Board of Professional Neuropsychology	1983
Distinguished Visiting Faculty Staff College- National Institute of Mental Health	1983
Distinguished Service Award National Academy of Neuropsychology	1983
Fellow American Psychological Association (Divisions 12, 15, 16, 40)	1983
Fellow National Academy of Neuropsychology	1983
Outstanding Contribution Award National Academy of Neuropsychology	1982
Richard E. Snow Research Award American Psychological Association Division 15, Research Scholarship Award	1982
Editor Bulletin of the National Academy of Neuropsychology	1981
Distinguished Article Volume 18 (1980), Journal of School Psychology	1981
Lightner Witmer Award American Psychological Association Division 16, Outstanding Young Scholar Award	1979
Paracheck – Frazier Research Fellow Arizona State University	1977
Bachelor of Arts – Magna cum laude	1973

Organizational Affiliations

American Psychological Association
- Fellow 1988
- Treasurer Div. 40, 1984-88
- President, Div. 40, 1990-91
- Past- President, 40, 1991-92

American Psychopathological Association
- Fellow 1984

International Neuropsychological Society

National Academy of Neuropsychologists
- Fellow 1983
- Secretary-Treasurer 1982-84
- President 1984-86

Society of Pediatric Psychologists

American Academy of School Psychology
- Fellow 1988

Indiana Psychological Association

Sigma Xi, Scientific Research Society

Society for Behavioral and Cognitive Neurology

Staff Appointments

Indiana University Medical Center (Indianapolis, IN)
St. Vincent Hospital and Health Care Center (Indianapolis, IN)
Midwest Medical Center (Indianapolis, IN)
Methodist Hospital Medical Center, (Indianapolis, IN)
Hendricks Regional Health Care (Danville, IN)

Professional Certificates

Diplomate, American Board of Pediatric Neuropsychology	2002
Health Service Provider in Psychology, Indiana (License # 20040310)	1988
Psychologist, Indiana	1988
Diplomate, American Board of Professional Psychology	1987
Diplomate, American Board of Professional Neuropsychology (154)	1983
School Psychologist, New York (104362606)	1979
Psychologist, State of Wisconsin, Inactive	1980

Professional Experience

2005-2007	*Director of Neuropsychology*, Indiana Neuroscience Institute, St.Vincent Hospital and Health Care Center, Indianapolis, IN
1991-2005	*Chief Neuropsychologist*, Midwest Neurological Institute, Danville, Indiana.
1990-Date	*Consulting Neuropsychologist*, Medical Staff, St. Vincent Hospital Health Care Center, Indianapolis, Indiana.
1989-1991	*Consulting Neuropsychologist*, Medical Staff, Reid Memorial Hospital, Richmond, Indiana.
1987-Date	*George and Frances Ball Distinguished Professor of Neuropsychology*, Ball State University, and Muncie, Indiana.
1984-Date	*Professor of Psychology- Educational Psychology*, Ball State University, Muncie, Indiana.
1984-2008	*Director, School Psychology Doctoral Program*, (APA Approved) Ball State University, Muncie, Indiana.
1985-1995	*Clinical Professor of Clinical Psychology*, Indiana University School of Medicine, Indiana University Medical Center, Indianapolis, Indiana.
1984-1994	*Faculty*, Center for Energy Research/Educational/Service, Ball State University, and Muncie, Indiana.
1981-1984	*Assistant Professor of Medical Psychology*, Washington University School of Medicine, St. Louis, Missouri.
1981-1984	*Director of Neuropsychology Laboratory*, Medical Staff, Washington University Medical Center, St. Louis, Missouri.
1981-1984	*Director of Child Clinical Psychology Internship* (APA Approved), Child Guidance Clinic, Washington University Medical center, St. Louis, Missouri.
1981-1984	*Director of Consultation and Learning Disorders Unit*, Washington University Medical Center, St. Louis, Missouri.
1980-1981	*Assistant Professor of Psychological Services*, (APA Approved) University of North Carolina Chapel Hill, North Carolina.

1978-1980 *Assistant Professor*, University of Wisconsin, Madison, Wisconsin.

1979-1980 *Chair*, School Psychology Department, University of Wisconsin, Madison, Wisconsin.

1978-1980 *Director*, Psychoeducational Clinic, University of Wisconsin, Madison, Wisconsin.

1978-1980 *Consulting Psychologist*, Bethesda Lutheran Hospital, Watertown, Wisconsin.

1977-1978 *Instructor*, Arizona State University.

1977-1978 *Psychology Intern*, Adult and Child/Adolescent, and Neuropsychological Rotations, Arizona State Neuropsychiatric Hospital (JCAH Approved), Phoenix, Arizona.

1976-1977 *Associate Director*, Laboratory for the Study of Human Intellectual Processes, Arizona State University.

1977-1978 *Research Consultant*, Counseling Development Institute, Arizona State University.

1976-1978 *Psychological Consultant*, United State Government, Department of Health, Education, and Welfare, Phoenix Job Corps, Phoenix, Arizona.

1975-1976 *Assistant Director*, Laboratory for the Study of Human Intelligence Processes, Arizona State University.

1975-1976 *Psychological Consultant*, Gilbert Public School System, Gilbert, Arizona.

1975-1976 *Research Consultant*, Department of Counselor Education, Arizona State University.

1975-1978 *Psychological Consultant*, Palo Verde Summer Program, Phoenix Arizona.

Professional Service

1978-1980	*Program Consultant*, Wisconsin Association for Youth, Madison, Wisconsin.
1979	*Resource Person*, Articles on childhood dyslexia, UIR Research News, and Milwaukee Journal, April.
1979-1980	*Consultant*, Big Brothers and Big Sisters of Dane County, Madison, Wisconsin.
1979-1980	*Program Reviewer*, Division C, American Education Research Association.
1979-1980	*Program Reviewer*, Division 16, American Psychological Association.
1979-1980	*Member*, Wisconsin Advisory Task Force on Approval Standards for Training Programs in Psychology.
1979-1980	*Member*, Committee on Continuing Professional Development, Wisconsin Psychological Association.
1979-1980	*Member*, Convention Program Committee, American Psychological Association, Division 16.
1979-1981	*Vice-Chairperson*, Committee on Education and Training, American Psychological Association, Division 16.
1980-1981	*Secretary-Treasurer*, Inter-University Council of Psychology Programs, North Carolina.
1980	*Program Reviewer*, American Psychological Association, Division 16.
1980	*Program Reviewer*, American Psychological Association, Division 16.
1980-1981	*Co-Chairperson*, Convention Program Committee, American Psychological Association, Division 16.
	Consultant, Minnesota State University System, St. Paul, Minnesota.
1980-1981	*Information Chair*, North Carolina Psychologist Field Training

Member, Committee on Research and Publication, American Psychological Association, Division 16.

Member, National Committee on Research, National Association of School Psychologists.

1981 *Member*, Olympia Conference on the Future of Psychology in the Schools, November.

Program Reviewer, American Psychological Association, Division 37.

Program Consultant, Division C, American Educational Research Association.

1981-1982 *Chairperson*, Convention Program Committee, American Psychological Association, Division 16.

1981-1983 *Member*, Research Committee, American Psychological Association, Division.

1982 *Chairperson*, Membership Committee, National Academy of Neuropsychologists.

Co-Chairperson, Committee on Nosology, Pediatric Neurology Society.

Program Reviewer, Society of Behavioral Medicine.

1982-1983 *Associate Chair*, Convention Program Committee, American Psychological Association, Division 16.

Program Reviewer, National Academy of Neuropsychologists.

1982-1984 *Secretary-Treasurer*, National Academy of Neuropsychologists.

1983 *Program Reviewer*, American Educational Research Association, Division C.

1983-1985 *Treasurer*, American Psychological Association, Division 40.

Chairperson, Publication Committee, American Psychological Association, Division 16.

Executive Council Member, Federation of Behavioral, Psychological, and Cognitive Science.

President, National Academy of Neuropsychologists.

1984 *Grant Reviewer*, March of Dimes Foundation, New York (Fall)

Program Reviewer, American Psychological Association, Division 16.

Grant Reviewer, W.T. Grant Foundation, New York

Grant Reviewer, MacArthur Foundation.

Member, Convention Program Committee, American Psychological Association, Division 16.

Consultant, Ball Memorial Hospital, Rehabilitation Unit, Muncie, Indiana

1984-1985 *Chair*, Publications Committee, Division 16, American Psychological Association.

Member, Convention Program Committee, American Psychological Association, Division 40.

Member, Lightner Witmer Award Committee, Division 16, American Psychological Association.

1984-1986 *Consultant*, Institute of Gerontology, Ball State University, Muncie, Indiana.

1985 *Chairperson*, Lightner Witmer Award Committee, American Psychological Association, Division 16.

Program Reviewer, American Educational Research Association, Division C.

Program Reviewer, National Academy of Neuropsychologists.

1985-1986 *Chair* Fellows Committee, National Academy of Neuropsychologists.

Executive Council Member, Federation of Behavioral, Psychological, and Cognitive Sciences.

Grant Reviewer, Research Scholar Award, Drexel University, Philadelphia, Pennsylvania.

Member, Convention Program Committee, Association for Children with Learning Disabilities.

Member, Publications Committee, Division 16, American Psychological Association

Member, Committee on Evaluations, American Board of Professional Neuropsychology.

1986-1987 *Member*, Fellows Committee, Division 16, American Psychological Association.

Reviewer, Promotion and Tenure Evaluation: Brown University School of Medicine, University of Colorado, University of Texas at Austin, University of Florida, Memphis State University

1986-1988 *Reviewer*, Promotion and Tenure Evaluation, Syracuse University, University of South Carolina, and University of Wisconsin.

President, American Board of Professional Neuropsychology

1987 *Grant Reviewer*, March of Dimes Foundation, New York (fall).

Consultant, Epilepsy Foundation of America, East Central Indiana (Spring).

Chair, Fellows Committee, National Academy of Neuropsychologists.

1987-1988 *Member*, Convention Program Committee, National Academy of Neuropsychology.

Member, Fellows Committee, Division 16, American Psychological Association.

Treasurer, Division 40, American Psychological Association.

1989-1990 *Member*, Medical Advisory Board, The JMA Foundation, Inc., Washington, D.C.

President-Elect, Division 40, American Psychological Association.

1990 *Grant Reviewer*, March of Dimes, Birth Defects Foundation.

1990-1991 *President*, Division 40, American Psychological Association.
Member, Advisory Board, Rodin Remediation Foundation, Kerns, Switzerland.

1991-1992 *Past President*, Division 40, American Psychological Association.

Editorial Activities

Editorial Staff, Rehabilitation Psychology	1976-1977
Reviewer, Reading Research Quarterly	1976-1977
Reviewer, Child Development	1978-1980
Reviewer, Journal of Educational Psychology	1978-1980
Reviewer, Contemporary Psychology	1978-1980
Reviewer, Charles E. Merrill Company	1979-1980
Reviewer, School Psychology Monograph	1979-1980
Editorial Board, Journal of School Psychology	1980-1985
Editorial Board, Clinical Neuropsychology	1980-1985
Editor, School Psychology Monograph	1980-1982
Reviewer, Behavior Genetics	1981-1985
Reviewer, School Psychology Review	1981-1985
Reviewer, Journal of Consulting and Clinical Psychology	1981-1986
Editor, Bulletin of the National Academy of Neuropsychologists	1981-1984
Editorial Board, Journal of Psychoeducational Assessment	1982-Date
Ad hoc Reviewer, Psychological Bulletin	1982-1983
Reviewer, Journal of Pediatric Psychology	1983-1984
Reviewer, Journal of Studies on Alcohol	1983-1984

Editorial Board, Contemporary Issues in Clinical Neuropsychology	1984-1994
Reviewer, Guilford Press, Inc.	1984-1985
Reviewer, Review of Educational Research	1985-1990
Editorial Board, Professional School Psychology	1985-1986
Associate Editor, International Journal of Clinical Neuropsychology	1985-1986
Editor, Technical Report Series, Ball State University, Department of Educational Psychology	1984-Date
Editor, Journal of School Psychology	1985-1992
Editorial Board, School Psychology Review	1985-1990
Editor, Archives of Clinical Neuropsychology	1985-1991
Reviewer, International Review of Applied Psychology	1985-1986
Editorial Board, The Clinical Neuropsychologist	1986-Date
Reviewer, Computers in Human Behavior	1985-1986
Editorial Board, Advances in Child Neuropsychology	1988-Date
Reviewer, Contemporary Psychology	1990-Date
Editorial Board, Educational Psychology Review	1988-Date
Editorial Board, Neuropsychology Review	1988-Date
Guest Editor, School Psychology Review	1988
Editorial Board, JMA Bulletin	1989-Date
Reviewer, American Journal of Psychiatry	1989-Date
Editorial Board, Contemporary Educational Psychology	1989-1992
Editorial Board, Journal of School Psychology	1992-Date
Reviewer, Developmental Neuropsychology	1994-Date

Consulting Editor, Journal of Consulting and Clinical Psychology 2001-Date

Editorial Board, School Psychology Quarterly 2002-Date

Grants Awarded

Principal Investigator

Paracheck-Frazier Research Grant, Effects of Spatial Organization in Prose Learning (Research Fellow). 1977-1978

University of Wisconsin Graduate School, Components of Reading Comprehension (Summer-Release Time). 1979-1980

Spencer Foundation Grant, Attentional Factors of Cerebral Dysfunction ($ 85,000). 1979-1980

National Institute of Health, Biomedical Research Support Grant, Perceptual Asymmetries in Schizophrenia and Affective Disorders ($345,000). 1983-1984

Psychology Advisory Committee, Ball State University, Modality Specific Decisions in Long-Term Memory (Winter-Release Time). 1984

Psychology Advisory Committee, Ball State University, Neuropsychological Subtyping of Children's learning Disorders (summer 1985-Spring 1985-1986; W. Fischer, Co-Investigator). 1985-1986

Research Associate Award, Ball State University (Winter – Release Time). 1985

National Institute of Child Health and Human Development, Sub -typing Children's Learning Disorders ($ 263,000). 1987-1989

The Lilly Endowment Inc., Telecommunications Strategies in Instruction ($891,000). 1992-1996

The Cephalon Inc., Double Blind Study of Modafinil with ADHD Children. Co-Investigator, James S. Cook, M.D. ($ 91,500). 2003-2004

Co-Investigator/Consultant

National Institute of Mental Health, Training Grant, Program in Psychiatric Epidemiology and Biostatistics, L.N. Robbins, Director ($53,000 YR). 1982-1989

National Institute of Health, Hip Fracture in the Elderly: Determination of Causes and Prevention, W. A. Peck, Principal Investigator ($136,000). 1984-1989

National Institute of Mental Health, S-100RIA and Measures of Brain Damage, R. Wetzel, Principal Investigator ($41,000 YR). 1984-1985

Psychology Advisory Committee, Ball State University, Analysis of Selected Bender Gestalt Test Indicators Within a Normal Population: A Developmental Approach, L. S. Wenck, Principal Investigator, (Summer 1985 -Autumn 1985). 1985-1990

National Institute of Aging, Huntington's disease: A Genetic Marker of Aging, J. C. Christian, Principal Investigator ($18,000). 1985-1990

National Institute of Child Health and Human Development: Exercise and Children with ADHD, Anthony Mahon, Principal Investigator (summer –Release Time). 2002-2004

National Science Foundation, "III: Small: RUI: Interactive Curriculum Visualization", P. Gestwicki, Principal Investigator ($497,094). 2009-2010

1980-1984

Dean, R. S. (1980, September). Abstract-concrete learning with disabled children. Presented at the Annual Convention of the American Psychological Association, Montreal, Canada.

Dean, R. S. (1980, September). Affective factors of cognitive rigidity. Presented at the Annual Convention of the American of the American Psychological Association, Montreal, Canada.

Dean, R. S. (1980, September). Lateral organization and personality. Presented at the Annual Convention of the American Psychological Association, Montreal, Canada.

Dean, R. S. (1980, September). Laterality and learning disabilities. Presented at the Annual Convention of the American Psychological Association, Montreal, Canada.

Dean, R. S. (1981, September). Factor structure of lateral preference for peripheral activities. Presented at the Annual Convention of the American Psychological Association, Los Angeles, CA.

Dean, R. S. (1981, September). The similarity of intelligence and achievement measures for Anglo and Mexican-American children. Presented at the Annual Convention of the American Psychological Association, Los Angeles, CA.

Dean, R. S. (1981, October). Total Seizure estimates as a predictor of cognitive variables with children. Presented at the Annual Meeting of the National Academy of Neuropsychologists, Orlando, FL.

Dean, R. S., & Rothlisberg, B. A. (1981, October). Lateral preference patterns and cross modal sensory integration. Presented at the Annual Meeting of the National Academy of Neuropsychologists, Orlando, FL.

Dean, R. S., & Steffen, J. E. (1981, September). A comparative study of preschool screening measures. Presented at the Annual Convention of the American Psychological Association, Los Angeles, CA.

Dean, R. S. (1982, August). Cerebral laterality in schizophrenia and affective disorders. Presented at the Annual Convention of the American Psychological Association, Washington, D. C.

Dean, R. S. (1982, October). Cognitive differences in schizophrenia and depression. Presented at the Annual Convention of the National Academy of Neuropsychologists, Atlanta, GA.

Dean, R. S. (1982, March). Cognitive neuropsychological differences in schizophrenia and primary affective depression. Presented at the Annual Meeting of the Society of Behavioral Medicine, Chicago, IL.

Schwartz, N. H., & Dean, R. S. (1982, August). Attention effects of auditory asymmetries. Presented at the Annual Convention of the American Psychological Association, Washington, D. C.

Schwartz, N. H., & Dean, R. S. (1982, August). Increasing comprehension in the mixed-lateral adult reader. Presented at the Annual Convention of the American Psychological Association, Washington, D. C.

Dean, R. S. (1983, February). Dual processing of prose and cerebral laterality. International Neuropsychology Society, Mexico City, Mexico.

Dean, R. S. (1983, October). Effects of attention on auditory asymmetries. Presented at the Annual Convention of the National Academy of Neuropsychologists, Houston, TX.

Dean, R. S. (1983, August). Graduate training in child neuropsychology—An approach to school psychology. Presented at the Annual Convention of the American Psychological Association, Anaheim, CA.

Dean, R. S. (1983, August). Integrating neuropsychological and emotional variables in the treatment of children's learning disorders. Presented at the Annual Convention of the American Psychological Association, Anaheim, CA.

Dean, R. S. (Chair) (1983, August). Training and credentialing of neuropsychologists for practice in pediatric settings. Symposium presented at the Annual Convention of the American Psychological Association, Anaheim, CA.

Dean, R. S. (1983, October). Treatment of children's learning disorders: A behavioral approach to a neuropsychological impairment. Presented at the Annual Convention of the National Academy of Neuropsychologists, Houston, TX.

Dean, R. S., & Schwartz, N. H. (1983, August). Attention effects in normal children's auditory asymmetries. Presented at the Annual Convention of the American Psychological Association, Anaheim, CA.

Rothlisberg, B. A., & Dean R. S. (1983, March). Reading comprehension and lateral preference in normal readers. Presented at the Annual Meeting of the National Association of School Psychologists, Detroit, MI.

Dean, R. S. (1984, August). A behavioral approach to treatment of learning disorders with neuropsychological impairment. Presented at the 92nd Annual Convention of the American Psychological Association, Toronto, Canada.

Dean, R. S. (1984, August). Integrating child neuropsychological elements in school psychology graduate training. Presented at the 92nd Annual Convention of the American Psychological Association, Toronto, Canada.

Dean, R. S. (1984, October). Interaction of cerebral laterality and paired associate learning in young children: A dual processing model. Presented at the

Annual Convention of the National Academy of Neuropsychologists, San Diego, CA.

Dean, R. S. (1984, October). Patterns of lateral preference in schizophrenia and affective disorders. Presented at the Annual Convention of the National Academy of Neuropsychologists, San Diego, CA.

Schwartz, N. H., & Dean, R. S. (1984, August). Dual processing and cerebral laterality with preadolescent children. Presented at the 92nd Annual Convention of the American Psychological Association, Toronto, Canada.

1985-1989

Dean, R. S. (Chair) (1985, August). Neuropsychological assessment for the understanding of children's learning disorders Symposium presented at the 93rd Annual Convention of the American Psychological Association, Los Angeles, CA.

Dean, R. S. (1985, February). The interaction of neuropsychological and emotional variables in LD children. Presented at the 22nd ACLD International Conference, San Francisco, CA.

Dean, R. S., Fischer, W. E., Nickell, K. A., Rattan, G., & Gray, J. W. (1985, October). Learning disabled reference group for the Halstead-Reitan Neuropsychological Test Battery. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Dean, R. S., & Gray, J. W. (1985, October). Modality specific decisions in long-term memory. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Fischer, W. E., & Dean, R. S. (1985, August). Neuropsychological subtyping of children's' learning disorders. Presented at the 93rd Annual Convention of the American Psychological Association, Los Angeles, CA.

Gray, J. W., Dean, R. S., & Rattan, G. (1985, October). Test-retest stability of the Maternal Perinatal Scale. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Gray, J. W., Dean, R. S., Seretny, M. L., & Rattan, G. (1985, October). Relationship between lateral preference and cognitive rigidity in normal adults. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Hendrie, H. C., Farlow, M. R., & Dean, R. S. (1985). Multiple brain imaging in patients with Alzheimer's Disease and control subjects. Presented at the 4th World Congress of Biological Psychiatry, Philadelphia, PA.

Rattan, A., Dean, R. S., & Rattan, G. (1985, October). Patterns of lateral preference: An American-Chinese comparison. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Rattan, G., & Dean, R. S. (1985, October). Auditory-visual temporal-spatial integration: An integral component of the reading process. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Rattan, A., Ellen, A. S., & Dean, R. S. (1985, October). Reference group of five year old children on the WISC-R. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Rattan, G., Dean, R. S., & Fischer, W. E. (1985, October). The role of reaction time in assessing category test performance. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Rattan, G., Dean, R. S., & Gray, J. W. (1985, October). Spatial reorganization of prose as an aid to comprehension with bilateral reading disabled children. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Serenty, M. L., Dean, R. S., & Gray, J. W. (1985, October). Profile similarities between schizophrenia and primary affective disorders. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Serenty, M. L., Dean, R. S., & Gray, J. W. (1985, October). Second survey of the National Academy of Neuropsychologists. Presented at the Annual Convention of the National Academy of Neuropsychologists, Philadelphia, PA.

Serenty, M. L., Dean, R. S., & Serenty, S. J. (1985, October). Interspersed questions and reading comprehension. Presented at the annual Convention of the Indiana Psychological Association, Indianapolis, IN.

Serenty, M. L., Gray, J. W., Hartlage, L. C., & Dean, R. S. (1985, August). Current issues in neuropsychology. Presented at the 93rd Annual Convention of the American Psychological Association: Los Angeles, CA.

D'Amato, R. C., Dean, R. S., & Holloway, A. F. (1986, October). Employment trends in neuropsychology: A decade of growth. Presented at the 6th

Annual Convention of the National Academy of Neuropsychologists: Las Vegas, NV.

D'Amato, R. C., Dean, R. S., & Rattan, G. (1986, August). Do psychological learning problems referrals support the diagnostic-remedial service model? Presented at the Annual Meeting of the American Psychological Association, Washington, D. C.

D'Amato, R. C., Gray, J. W., & Dean, R. S. (1986, October). Convergence of the PPVT-R with K-ABC constructs. Presented at the 6th Annual Meeting of the National Academy of Neuropsychologists, Las Vegas, NV.

D'Amato, R. C., Gray, J. W., & Dean, R. S. (1986, October). Shared constructs of the Wechsler Intelligence Scale for Children-Revised and the Halstead-Reitan Neuropsychological Battery with learning disordered children. Presented at the 6th Annual Meeting of the National Academy of Neuropsychologists, Las Vegas, NV.

Dean, R. S., (1986, August). Measuring children's functional lateralization. Presented at the 94th Annual Convention of the American Psychological Association, Washington, D. C.

Dean, R. S., (1986, August). On computerized administration and interpretation of neuropsychological procedures. Presented at the 94th Annual Convention of the American Psychological Association, Washington, D. C.

Dean, R. S., & Gray, J. W. (1986, August). Auditory-Visual effects in long-term memory. Presented at the Annual Meeting of the National Academy of Neuropsychologists, Las Vegas, NV.

Fischer, W. E., Dean, R. S., & Gray, J. W. (1986, October). Inducing flexibility in cognitively rigid subjects. Presented at the Annual Meeting of the National Academy of Neuropsychologists, Las Vegas, NV.

Gray, J. W., D'Amato, R. C., & Dean, R. S. (1986, October). Construct validity of the PPVT with learning disabled children. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Gray, J. W., Dean, R. S., D'Amato, R. C., & Rattan, G. (1986, October). The clinical utility of the HRNB in the differential diagnosis of primary affective depression. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Gray, J. W., Dean, R. S., & Lorsbach, T. C. (1986, August). Processing rate and short-term memory span in learning disabled children. Presented at the

94th Annual Meeting of the American Psychological Association, Washington, D. C.

Gray, J. W., Dean, R. S., Rattan, G., & Cramer, K. M. (1986, August). Lateralized neuropsychological impairment in primary affective depression. Presented at the 94th Annual Meeting of the American Psychological Association, Washington, D. C.

Rattan, G., D'Amato, R. C., & Dean, R. S. (1986, October). Early intervention for learning disabled children as determined by referral patterns. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Rattan, A. I., & Dean, R. S. (1986, October). A clinical approach to measuring learning disabled children's ability to cope with failure. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Rattan, G., Dean, R. S., Fischer, W. E., & Rattan, A. I. (1986, October). Construct dependence of the Halstead-Reitan Neuropsychological Test Battery on response time. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Rattan, A. I., Dean, R. S., Gray, J. W., & Serenty, M. L. (1986, August). WAIS profile patterns of schizophrenia and primary affective depression. Presented at the 94th Annual Convention of the American Psychological Association, Washington, D. C.

Rattan, G., Dean, R. S., & Hua, M. S. (1986, August). Genetic-cultural differences in motoric preference for Anglo-American and Chinese. Presented at the 94th Annual Convention of the American Psychological Association, Washington, D. C.

Rattan, G., Fischer, W. E., & Dean, R. S. (1986, August). Clinical implications of response time on the Category Test of the Halstead-Reitan Neuropsychological Test Battery. Presented at the 94th Annual Convention of the American Psychological Association, Washington, D. C.

Rattan, A. I., Gray, J. W., & Dean, R. S. (1986, October). The Utility of neuropsychological methods in the differential diagnosis of depression and dementia. Presented at the 6th annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Rattan, A. I., Rattan, G., Gray, J. W., Dean, R. S., & Nickell, K. (1986, October). Construct specificity of WISC-R subtests as predicted by the Halstead-

Reitan Neuropsychological Test Battery. Presented at the 6th annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Serenty, M. L., Dean, R. S., Gray, J. W., & Wheeler, T. E. (1986, August). Expanding the flexibility of cognitive solutions with rigid subjects. Presented at the 94th Annual Meeting of the American Psychological Association, Washington, D. C.

Strom, D. A., Dean, R. S., Wenck, L. S., & Ibe, K. J. (1986, October). A comparison of torque and a multifaceted measure of laterality as predictors of personality. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Strom, D. A., Gray, J. W., D'Amato, R. C., & Dean, R. S. (1986, October). The validity of a neuropsychological test for predicting achievement and learning disabled children. Presented at the 6th Annual Convention of the National Academy of Neuropsychologists, Las Vegas, NV.

Strom, D.A., Rattan, G., & Dean, R.S. (1986, August). Neuropsychological symptom comparison of neurologically damaged and psychiatric patients. Presented at the 94th Annual Convention of the American Psychological Association, Washington, D.C.

Bechtel, B.A., Gray, J.W., Dean, R.S., & Strom, D.A. (1987, August). Perinatal information as a predictor of neonatal functioning. Presented at the 95th Annual Convention of the American Psychological Association, New York, NY.

D'Amato, R.C. (Chair), Conoley, J.C., Harrison, P., McCloskey, G., Morris, R.J., & Dean, R.S. (1987, August). Nontraditional activities for school psychologists. Presented at the 95th Annual Convention of the American Psychological Association, New York, NY.

D'Amato, R.C. & Dean, R.S. (1987, January). Does anyone care what happens to psychological reports in the schools: a review of the report-IEP-lesson plan service system. Presented at the Ball State Psychological Research Conference, ball State University, Muncie, IN.

D'Amato, R.C., & Dean, R.S., & Rothlisberg, B.A. (1987, October). A neuropsychological approach to school psychology: Implications for training and practice. Presented at the 7th Annual Convention of the National Academy of Neuropsychologists, Chicago, IL.

D'Amato, R.C., Dean, R.S., & Rothlisberg, B.A. (1987, October). The utility of neuropsychological measures in subtyping children's learning disorders.

Presented at the 95th Annual Convention of the American Psychological Association, New York, NY.

D'Amato, R.C., Gray, J.W., & Dean, R.S. (1987, January). Construct specificity of intellectual and neuropsychological measures: Are they related? Presented at the Ball State Psychological Research Conference, Ball State University, Muncie, IN.

D'Amato, R.C., Gray, J.W., & Dean, R.S. (1987, March). The Halstead-Reitan Neuropsychological Battery and the WISC-R with LD children: Support for a neuropsychological approach in service delivery. Presented at the 19th Annual Convention of the National Association of School Psychologists, New Orleans, LA.

D'Amato, R. C. (Chair), Pryzwansky, W. B., Hughes, J. L., Harrison, P., Hartlage, L. C., & Dean, R. S. (1987, March). Nontraditional activities for school psychologists: A symposia. Presented at the 19th Annual Convention of the National Association of School Psychologists, New Orleans, LA.

Dean, R. S. (1987, August). Educational implications of perinatal complications. Presented at the 95th Annual Convention of the American Psychological Association, New York, NY.

Dean, R. S. (1987, March). Effects of perinatal complications on school functioning. Presented at the 19th Annual Convention of the National Association of School Psychologists, New Orleans, LA.

Dean, R. S. (1987, March). Non-traditional activities for School Psychologists. Presented at the 19th Annual Convention of the National Association of School Psychologists, New Orleans, LA.

Dean, R. S. (1987, September). Non-traditional activities for school psychologists. Presented at the 95th Annual Convention of the American Psychological Association, New York, NY.

Dean, R. S. (1987, March). Overview of the Journal of School Psychology. Presented at the 19th Annual Convention of the National Association of School Psychologists, New Orleans, LA.

Harding, J. A., Batchelor, E. S., Dean, R. S., Gray, J. W., & Wenck, L. S. (1990, August). Classification rates and risk factors for events predicting emotional and behavioral disorders. Presented at the 98th Annual Meeting of the American Psychological Association, Boston, MA.

Kelly, M. D., Kundert, D. K., & Dean, R. S. (1990, August). Factor structure of the HRNB-C Category Subtest. Presented at the 98th Annual Meeting of the American Psychological Association, Boston, MA.

Kelly, M. D., Kundert, D. K., & Dean, R. S. (1990, November). Factor analysis and matrix invariance of the HRNB-C Subtests. Presented at the 10th Annual Conference of the National Academy of Neuropsychology, Reno, NV.

Kundert, D. K., McIntosh, D. E., Shine, A. E., & Dean, R. S. (1990, November). A study of neuropsychological impairment among school identified learning disabled students. Presented at the 10th Annual Conference of the National Academy of Neuropsychology, Reno, NV.

Shine, A. E., & Dean, R. S. (1990, November). Utility of cognitive and academic measures in the prediction of neuropsychological dysfunctional children. Presented at the 10th Annual Conference of the National Academy of Neuropsychology, Reno, NV.

Kundert, D. K., McIntosh, D. E., & Dean, R. S. (1991, November). A comparison of the incidence of neuropsychological impairment in low, average, and high IQ learning disabled students. Presented at the 11th Annual Conference of the National Academy of Neuropsychology, Dallas, TX.

Kundert, D. K., McIntosh, D. E., & Dean, R. S. (1991, March). Learning disabilities and incidence of neuropsychological impairment: Legislative influences. Presented at the 23rd Annual Meeting of the National Association of School Psychologists, Dallas, TX.

McIntosh, D. E., Kundert, D. K., & Dean, R. S. (1991, November). Neuropsychological characteristics of learning-disabled/gifted children. Presented at the 11th Annual Conference of the National Academy of Neuropsychology, Dallas, TX.

Ruth-Schmehl, D. L., Batchelor, E. S., Dean, R. S., & Kelly, M. D. (1991, November). Neuropsychological significance of WISC-R summary scores. Presented at the 11th Annual Conference of the National Academy of Neuropsychology, Dallas, TX.

Shine, A. E., & Dean, R. S. (1991, November). The Utility of verbal-performance IQ differences in the prediction of neuropsychological impairment in children. Presented at the 11th Annual Conference of the National Academy of Neuropsychology, Dallas, TX.

Williams, R. N., McIntosh, D., Dean, R. S., & Hendrie, H. (1991, November). Identification of neuropsychological subgroups of dementia of Alzheimer's type using the CAMCOG. Presented at the 11th Annual Conference of the National Academy of Neuropsychology, Dallas, TX.

Arceneaux, J. M., McCoy, K. D., & Dean, R. S. (1993, August). Neuropsychology of mental retardation. Presented at the 101st Annual Conference of the American Psychological Association, Toronto, Canada.

Dean, R. S. (1993, January). Stress Management Workshop. Presented at the Midwest Neurological Institute, Danville, IN.

McCoy, K. D., & Dean, R. S. (1993, October). Reliability and construct validation of the Neuropsychological Symptom Inventory. Presented at the 13th Annual Meeting of the National Academy of Neuropsychology, Phoenix, AZ.

Baker, C. L., Paulson, S., Rothlisberg, B. A., & Dean, R. S. (1994, November). Utilization of the Reitan-Indiana Aphasia Screening Test identifying learning disabled and low-achieving children. Presented at the 14th Annual Meeting of the National Academy of Neuropsychology, Orlando, FL.

Dean, R. S., Woodcock, R. W., & Schrank, F. (1994, November). Use and clinical trials of the Dean-Woodcock Neuropsychological Assessment System. Presented at the 14th Annual Meeting of the National Academy of Neuropsychology, Orlando, FL.

1995-2000

Summers, M., Crooms, Y. M., Schmitt, J. A., La Pietre, M. L., & Dean, R. S. (1996, March). Gender differences in college classroom interactions Presented at the meeting of the Southwestern Society for Research in Human Development, Park City, UT.

Hill, S. K., Lewis, M., & Dean, R. S. (1998). Factor analysis of sensory and motor functions. Poster session presented at the National Academy of Neuropsychology, Washington, D. C.

Hill, S. K., Limbird, C. K., & Dean, R. S. (1998). The utility of sensory and motor performance in discriminating LD and non-LD children. Poster session presented at the National Academy of Neuropsychology, Washington, D. C.

Hill, S. K., Decker, S., Dean, R. S., & Woodcock, R. (1998). Defining underlying functions of the Category Test, Trail Making, and WCST with Woodcock-Johnson Fluid Reasoning. Poster session presented at the National Academy of Neuropsychology, Washington, D. C.

Vaughn, E. L., D'Amato, R. C., & Dean, R. S. (1998, November). Two decades of employment trends in neuropsychology: Neuropsychology had a great fall. Poster presented at the 18th Annual Convention of the National Academy of Neuropsychology, Washington, D. C.

Woodcock, R., & Dean, R. S. (1998, November). The WJ-R and Bateria-R in Neuropsychological Assessment. Presented at the 18th Annual Convention of the National Academy of Neuropsychology, Washington, D. C.

Vaughn, E. L., D'Amato, R. C., & Dean, R. S. (1998, November). The geography of neuropsychological employment: How does the west fare? Poster presented at the 69th Annual Convention of the Rocky Mountain Psychological Association, Fort Collins, CO.

Hill, S., & Dean, R. S. (2000, February). The utility of sensory motor performance in discriminating normal and emotionally handicapped children. Poster presented at the International Neuropsychology Society, Denver, CO.

McIntosh, D.E., Decker, S.L., & Dean, R.S. (2000, August). Comorbidity among individuals classified with attention disorders. Presented at the 108th Annual Convention of the American Psychological Association, Washington, D.C.

2001-2005

Titus, J. B., & Dean, R. S. (2002, August). The prediction of cognitive ability from sensory/motor performance. Poster presented at the annual convention of the American Psychological Association, Chicago, IL.

Titus, J. B., Sanders, S. J., & Dean, R. S. (2002, August). The cognitive profile of emotionally handicapped children. Poster presented at the annual convention of the American Psychological Association, Chicago, IL.

Mahon, A. D., Horn, M. P., Woodruff, M. E., McIntosh, D. E., & Dean, R. S. (2004, August). The effect of acute exercise on measures of attention and impulsiveness in boys with attention deficit/hyperactivity disorder. Paper presented at the 2004 biennial meeting of the North American Society for Pediatric Exercise Medicine, New Brunswick, Canada.

Davis, A. S., Finch, W. H., & Dean, R. S. (March, 2004). The canonical relationship between sensory-motor functioning and cognitive processing. Poster presented at the 37th Annual Convention of the National Association of School Psychologists, Atlanta, GA.

Davis, A. S., Finch, W. H., & Dean, R. S. (March, 2004). Constructs underlying the Dean-Woodcock Sensory Motor System. Poster presented at the 37th Annual Convention of the National Association of School Psychologists, Atlanta, GA.

Davis, A., Trinkle, J., Finch, H., Dean, R.S. (2004, February). The predictive ability of neuropsychological assessment and single photon emission computed tomography in differentiating cerebral perfusion deficits in dementia of the Alzheimer's type. Paper presented at the 33rd annual meeting of the International Neuropsychological Society, St. Louis.

Noggle, C., Davis, A. S., Reese, T. L., Finch, W. H., & Dean, R. S. (August 2004). The construct validity of the Dean-Woodcock Sensory Motor Battery with a neurologically impaired sample. Paper presented at the Annual Convention of the American Psychological Association,

Noggle, C. A., Davis, A., Reese, T., Finch, W., & Dean, R. (2004). The construct validity of the Dean-Woodcock Sensory Motor Battery with a neurologically impaired sample. Paper presented at the 24th Annual Conference of the National Academy of Neuropsychology, Seattle, Washington.

Reese, T., Davis, A. S., Trinkle, J. M., Finch, W. H. & Dean, R. S. (August 2004). The canonical relationship between sensory-motor functioning and achievement. Paper presented at The Annual Convention of the American Psychological Association.

Reese, T., Davis, A. S., Trinkle, J. M., Finch, W. H. & Dean, R. S. (2004, November). The canonical relationship between sensory-motor functioning and achievement. Paper presented at the 24th Annual Convention of the National Academy of Neuropsychology, Seattle, WA.

Trinkle, J., Davis, A. S., Noggle, C. A., Finch, W. H., & Dean, R. S.(August 2004). Evaluating the construct validity of the Dean-Woodcock Sensory Motor Battery. Paper presented at the Annual Convention of the American Psychological Association,

Trinkle, J., Davis, A.S., Noggle, C.A., T., Finch, W.H., & Dean, R.S. (2004). Evaluating the construct validity of the Dean-Woodcock sensory-motor battery. Poster presented at the 24th Annual Conference of Neuropsychology, Seattle, Washington.

Brinkman Jr., J., Noggle, C. A., & Dean, R. S. (2005). Comorbidity of Psychiatric Disorders Following Neurological Disorders. Paper presented for Division 40 at the 2005 Annual Conference of the American Psychological Association, Washington DC.

Brinkman Jr., J. Noggle, C. A., & Dean, R. S. (2005, October). Comorbity of psychiatric disorders in diagnosed neurology patients. Paper presented at the 25th Annual Conference of the National Academy of Neuropsychology, Tampa, Florida.

Davis, A. S., Dean, R. S., & Woodcock, R. S. (2005, August). Differentiating hyperactive and inattentive ADHD subtypes with cognitive processing subtests. Paper presented at the 112th annual convention of the American Psychological Association, Washington, D. C.

Davis, A. S., Finch, W. H., & Dean, R. S. (2005, March). The canonical relationship between sensory-motor functioning and cognitive processing. Paper presented at the 37th Annual Convention of the National Association of School Psychologists, Atlanta, GA.

Davis, A. S., Finch, W. H., & Dean, R. S. (2005, March). Constructs underlying the Dean-Woodcock Sensory Motor System. Paper presented at the 37th Annual Convention of the National Association of School Psychologists, Atlanta, GA.

Davis, A. S., Finch, W. H., Dean, R. S., & Woodcock, R. S. (2005, August). Confirmatory factor analysis of CHC theory with a neurologically impaired sample. Paper presented at the 112th annual convention of the American Psychological Association, Washington, D. C.

Davis, A. S., Trinkle, J. M., Finch, W. H., & Dean, R. S. (February, 2005). Classification and regression tree analysis of the Dean-Woodcock Sensory-Motor Battery with neurologically impaired and normal individuals. Paper presented at the 33rd Annual Convention of the International Neuropsychological Society, St. Louis, MO.

Davis, A. S., Williams, R. N., Gupta, A. S., Dean, R. S. (2005, June). Initial Analysis of Standardized Assessments of Sensory-Motor Skills in Patients with MS. Paper presented at the 19th annual meeting of the Consortium of Multiple Sclerosis Centers, Orlando, FL.

Dean, R. S. & Noggle, C. A. (2005, August). The Dean-Woodcock neuropsychological model with cognitive measures. Paper presented for Division 5 at the 2005 Annual Conference of the American Psychological Association, Washington DC.

Dean, R. S. & Noggle, C. A. (2005, October). The validity, reliability and utility of the Dean-Woodcock emotional status examination. Paper presented at the 25th Annual Conference of the National Academy of Neuropsychology, Tampa, Florida.

Galloway-Sharp, S., Noggle, C. A., Davis, A. S., & Dean, R. S. (February, 2005). Evaluating the effectiveness of the Dean-Woodcock Emotional Status Examination. Paper presented at the 33rd Annual Convention of the International Neuropsychological Society, St. Louis, MO.

Galloway-Sharp, S., Noggle, C. A., Davis, A. S., & Dean, R. S. (2005). Utilization of the Dean-Woodcock Emotional Status Examination in predicting pathology. Paper presented at the 33rd Annual Conference of the International Neuropsychological Society, St. Louis, Missouri.

Marker, K. M., Davis, A. S., & Dean, R. S. (2005, October). Is depression linked to hemispheric asymmetry with sensory-motor tasks? Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Marker, K. M., Davis, A. S., & Dean, R. S. (2005, October). Sensory-motor cortical and subcortical differences between depressed and normal individuals. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Moren, M. G., Davis, A. S., & Dean, R. S. (February, 2005). The predictive ability of neuropsychological assessment and single photon emission computed tomography in differentiating cerebral perfusion deficits in dementia of the Alzheimer's type. Paper presented at the 33rd Annual Convention of the International Neuropsychological Society, St. Louis, MO.

Noggle, C. A. & Dean, R. S. (2005). The validity, reliability, and utility of the Dean-Woodcock Emotional Status Examination. Paper presented for Division 40 at the 2005 Annual Conference of the American Psychological Association, Washington DC.

Noggle, C. A., Dean, R. S., & Davis, A. S. (2005, October). Predicting neurological with the Dean-Woodcock Sensory-Motor Battery. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Noggle, C.A., Dean, R.S., & Finch, W. H. (August, 2005). Differential diagnosis of depression and dementia using the Dean-Woodcock. Paper presented for Division 40 at the 2005 Annual Conference of the American Psychological Association, Washington DC.

Shunk, A. W., Davis, A. S., & Dean, R. S. (2005, October). Do sensory and motor skills differentiate patients with CVAs from TBIs? Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Shunk, A. W., Davis, A. S., Dean, R. S., & Woodcock, R. W. (2005, October). Are similar achievement deficits caused by different cognitive processing profiles for individuals with ADHD and TBI? Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Shunk, A. W., Davis, A. S., & Dean, R. S. (2005, October). Sensory-motor differences in attention-deficit/hyperactivity disorder and traumatic brain injury. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Stage, K. A., Davis, A. S., Finch, W. H., Trinkle, J. M., & Dean, R. S. (2005, October). Classification of individuals with anxiety disorders based upon sensory-motor skills. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Stage, K. A., Davis, A. S., & Dean, R. S. (2005, October). Predicting cognitive processing abilities using construction tasks from a neurologically impaired sample. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Stage, K. A., Davis, A. S., Finch, W. H., & Dean, R. S. (2005, October). Classification and regression tree analysis of individuals with ADHD. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Trinkle, J. M., Davis, A. S., Dean, R. S., & Woodcock, R. W. (2005, October). Differential cognitive processing performance of children. Paper presented at the 25th Annual Meeting of the National Academy of Neuropsychology, Tampa, FL.

Volpe, A., Noggle, **C**.A., Davis, A.S., & Dean, R.S. (February, 2005). Predicting neurological impairment with the Dean-Woodcock Sensory Motor Battery. Paper presented at the 33rd Annual Conference of the International Neuropsychological Society, St. Louis, Missouri.

Davis, A. S., Estes, B. W., Horwitz, J. L., & Dean, R. S. (2006, February). Differential performance of individuals with anxiety disorders and normal individuals using a standardized sensory-motor approach. Paper presented at the 17th annual meeting of the American Neuropsychiatric Association, La Jolla, CA.

Davis, A. S., Finch, W. H., Dean, R. S., & Woodcock, R. W. (2006, February). The canonical relationship between sensory-motor skills and academic achievement in children with ADHD. Paper presented at the 34th Annual Meeting of the International Neuropsychological Society, Boston, MA.

Davis, A. S., Finch, W. H., Dean, R. S., & Woodcock, R. W. (2006, October). Confirmatory Factor Analysis of the CHC Theory for Individuals with TBI. Paper presented at the 26th Annual Conference of the National Academy of Neuropsychology, San Antonio, TX.

Davis, A. S., Finch, W. H., Dean, R. S., & Woodcock, R. W. (2006, October). Confirmatory Factor Analysis of the CHC Theory for Individuals with ADHD. Paper presented at the 26th Annual Conference of the National Academy of Neuropsychology, San Antonio, TX.

Chapman, L, Noggle, C.A., Baxter, K., Sadler, C. & Dean, R.S. (2009). Associated neurocognitive profiles of differential learning disabilities. Paper presented at the 37th Annual Meeting of the International Neuropsychological Society, Atlanta, GA.

Chapman, L., Noggle, C.A., Baxter, K., Sadler, C., & Dean, R.S. (2009). Divergent neuropsychological profiles of ADHD and Bipolar Disorder. Paper presented at the 37th Annual Meeting of the International Neuropsychological Society, Atlanta, GA.

Noggle, C.A., Sadler, C., Chapman, L., & Dean, R.S. (2009). Utility of the clock drawing tasks on the Dean-Woodcock Neuropsychological Battery as a cognitive screener in a pediatric sample. Paper presented at the 37th Annual Meeting of the International Neuropsychological Society, Atlanta, GA

Invited Addresses

Dean, R. S. (1976, October). Invited discussant of the symposium, Implementing psychological services in the schools. Thomas Kratochwill (Chair). Presented at the Rocky Mountain Educational Research Association Convention, Flagstaff, AZ.

Dean, R.S. (1978, April). Invited speaker of the colloquium, Diagnosing childhood learning and emotional problems. University of Nebraska, Lincoln, NE.

Dean, R.S. (1978, April). Invited speaker of the colloquium, Predictors in information processing. University of Wisconsin, Madison, WI.

Dean, R.S. (1978, April). Invited presentation of a workshop entitled, Group techniques in assertive training. Arizona State Hospital, Phoenix, AZ.

Dean, R.S. (1978, May). Invited presentation of the workshop, Neuropsychological assessment of organic brain syndrome. Division of Behavioral Health, State of Arizona, Phoenix, AZ.

Dean, R.S. (1979, March). Invited presentation of the colloquium, Neuropsychology of learning disorders. School Psychology Lecture Series, University of Texas at Austin, Austin, TX.

Dean, R.S. (1979, April). Invited discussant of cerebral laterality research. National Public Radio—All Things Considered, New York, NY.

Dean, R.S. (1980, February), Invited speaker of colloquium, Inducing comprehension in the bilateral reader. State University of New York at Albany, Albany, NY.

Dean, R.S. (1980, April). Invited discussant of the symposium, Systematic intervention with parents of children in “maternal” programs. Lillianne Dunsky (Chair). Presented at the Convention of the Professional Corporation of Psychologists of Quebec, Montreal, Canada.

Dean, R.S. (1980, July). Invited speaker at the colloquium, Spatial frameworks for comprehending prose. University of North Carolina, Chapel Hill, NC.

Dean, R.S. (1980, October.) Invited speaker at the, Cerebral laterality and childhood learning disorders. Washington University School of Medicine, St. Louis, MO.

Dean, R.S. (1980, December). Invited address entitled, Coping with stress. Federal Correctional Institution, Butner, NC.

Dean, R.S. (1981, October). Invited speaker at the colloquium, Neuropsychological aspects of childhood learning disorders. Western Illinois University, Macomb, IL.

Dean, R.S. (1982, April). Invited speaker at the colloquium, Neuropsychological aspects of psychiatric disorders. Brown University School of Medicine, Providence, RI.

Dean, R.S. (1982, August). Invited address entitled, Neuropsychological aspects of prose learning. American Psychological Association/Recent Scholars Award, Washington, D.C.

Dean, R.S. (1982, November). Invited speaker at the colloquium, Neuropsychological assessment with school-aged children. Annual Colloquium Series, Southern Illinois University, Carbondale, IL.

Dean, R.S. (1983, March). Invited speaker at the colloquium, Integrating neuropsychology and emotional variables in that treatment of children's learning disorders. University of Michigan, Ann Arbor, MI.

Dean, R.S. (1983, April). Invited speaker at the colloquium, Neuropsychological assessment of the school-aged child. Department of Psychology, East Texas State University, Dallas, TX.

Dean, R.S. (1983, May). Invited speaker at the colloquium, Neuropsychology of children's learning disorders. University of Michigan, Ann Arbor, MI.

Dean, R.S. (1983, May). Invited speaker at the colloquium, Cerebral laterality and children's learning disorders. Baylor College of Medicine, Houston, TX.

Dean, R.S. (1983, June). Invited presentation o the three-day course, Measuring psychopathology: Diagnostic and epidemiological screening instruments. Staff College, National Institute of Mental Health, Leesburg, VA.

Dean, R.S. (1983, August). Invited discussant of the symposium, Issues in assessment of children. Presented at the Annual Convention of the American Psychological Association, Anaheim, CA.

Dean, R.S. (1983, October). Invited speaker at the colloquium, Neuropsychological and emotional variables in remediating learning disabilities. Baylor College of Medicine, Houston, TX.

Dean, R.S. (1984, April). Invited address entitled, Interaction of neurological and emotional variables in the treatment of exceptional children. Annual Meeting of the Council for Exceptional Children, Washington, D.C.

Dean, R.S. (1984, April). Invited address entitled, Implications of current research on brain function for intervention with exceptional children. Annual Meeting of the Council for Exceptional Children, Washington, D.C.

Dean, R.S. (1984, May). Invited speaker at the colloquium, Assessing lateral preference patterns. University of Arizona, Tucson, AZ.

Dean, R.S. (1984, August). Invited presentation of the two-day workshop, Child neuropsychology. Watertown-Madison Schools, Watertown, WI.

Dean, R.S. (1984, September). Invited presentation of the one-day workshop, Introduction to child neuropsychological assessment. Florida Psychological Association and Dade County Public Schools, Miami, FL.

Dean, R.S. (1984, October). Invited presentation of the one-day workshop, Intervention and strategies with neuropsychologically impaired children. California Neuropsychological Society, San Diego, CA.

Dean, R.S. (1984, October). Invited address entitled, Recent advances in brain theory as related to learning disabilities. Conference of the Council for Exceptional Children, St. Louis, MO.

Dean, R.S. (1984, November). Invited presentation of the workshop, The evolving understanding of the brain. Brain and Learning Workshop, Ball State University, Muncie, IN.

Dean, R.S. (1984, November). Invited presentation of the one-day workshop, Lateralization of brain functions in understanding the individual. 1984-1985 Residential Leadership Series, Indianapolis, IN.

Dean, R.S. (1985, August). Invited presentation of the Pre-Convention Workshop, Training cognitive skills with neuropsychologically impaired children. The 93rd Annual Convention of the American Psychological Association, Los Angeles, CA.

Dean, R.S. (1985, October). Invited address, Subtyping children's learning disorders: Implications for diagnosis and treatment. The Annual Meeting of the National Academy of Neuropsychologists, Philadelphia, PA.

Dean, R.S. (1986, February). Invited address entitled, Integration of neuropsychological and emotional variables in the treatment of children's disorders. Graduate School of Applied and Professional Psychology, Rutgers University, Piscataway, NJ.

Dean, R.S. (1986, March). Invited address entitled, Cognitive retraining of neurologically impaired children. Arizona State Psychological Association, Tempe, AZ.

Dean, R.S. (1986, March). Invited address entitled, Research trends in school psychology. College of Education, Arizona State University, Tempe, AZ.

Dean, R.S. (1986, March). Invited address entitled, Neuropsychological factors in childhood head injury. Good Samaritan Medical center, Phoenix, AZ.

Dean, R.S. (1986, May). Invited address entitled, The neuropsychology of children's learning disorders. Mid-South conference on Human Neuropsychology, Memphis State University, Memphis, TN.

Dean, R.S. & Gray, J.W. (1987, October). Invited address entitled, Neuropsychology of perinatal complications. Maternal and Child Health Conference, Indianapolis, IN.

Dean, R.S. (1993, January). Invited presentation of the workshop, Stress Management. Midwest Neurological Institute, Indianapolis, IN.

Dean, R.S. (1993, April). Invited address of the workshop, Depression, stress and anxiety in the family: Their effects on our kids. Muncie Area Career Center, Muncie, IN.

Dean, R.S. (1993, June). Invited address of the two day workshop, Contemporary Neuropsychological Issues: A neuropsychological approach to assessment and rehabilitation. Neuropsychology Institute, Greeley, CO.

Bink, M.L., Biner, P.M., & Dean, R.S. (1994, November). Invited address entitled, Student personality correlates of achievement in televised university-level courses. Sigma Xi Annual Research Conference, Ball State University, Muncie, IN.

Dean, R.S., Biner, P.M., & Summers, M. (1996, February). Invited address entitled, A Systems Approach to Assessing the Effectiveness of Distance

Education. Mid-American Conference on Research Perspectives in Tele-education, Ball State University, Muncie, IN.

Dean, R.S., Biner, P.M., & Summers, M. (1996, March). Invited address entitled, Assessing the Effectiveness of Distance Education: A Lilly Endowment-Funded Study of Tele-education. Annual Conference of the National University Continuing Education Association, Boston, MA.

Dean, R.S. & Schrank, F.A. (2000, November). Invited workshop entitled, Woodcock-Johnson III: Overview and Neuropsychological Interpretations. 20th Annual Meeting of the National Academy of Neuropsychology, Orlando, FL.

Students Supervised in Doctoral Training

Arceneaux, Janet Marie,1995
Brinkman, John J., 2004
Decker, Scott L. ,2002
Schwartz, Joel B. ,1986
Bachelor, Ervin S. ,1989
Barry, Christine T. ,1991
Brooks, David A. ,1989
D'Amato, Rik Carl , 1987
Davis, Thomas Brandon ,1989
Frazer, James E. ,1989
Galloway-Sharp, Sherri, 2004
Gelder, Barbara C., 1999
Gray, Jeffrey W., 1987
Hall, John J. ,2007
Hill, S. Kristian ,1998
Kelly, Mark D. ,1990
Kirkendall, Darrin J., 1999
Krug, Damon Brian ,1990
Lang, Dianne L.,1999
McCoy, Kenneth D., 1993
Rattan, Arlene I., 1987
Brooks, David A., 1989
Lewis, Morris N. ,1992
Rattan, Gerumal, 1984
Noggle, Chad A.,2006
Ridenour, Ty Andrew ,1996
Sabo, Jason M. ,2007
Seretny, Michael Lee,1988
Shine, Agnes E. ,1990
Shunk, Adam W., 2007
Strom, Dorothy A. ,1988

Strout , Teresa J. ,1997
Titus, Jeffery B., 2002
Van Horn, Renee E. Minick, 1999
Volpe, Alessandra G., 2004
Williams, Ronald N. ,1991
Wasielewski, Sean ,1998
Woodward, Helen R. ,1996
Zukauskis, Ronald L., 2001

Courses Taught

Advanced Assessment Techniques
Advanced Seminars in Neuropsychology, Learning, and Applied Psychology
Advanced Seminar in School Psychology
Behavior Therapy
Child Neuropsychology
Childhood Psychiatric Disorders
Childhood Psychopathology
Descriptive and Inferential Statistics
Diagnosing and Remediating Children's Learning Problems
Intellectual Assessment
Internship Seminar
Measurement and Evaluation
Neuropsychological Assessment
Neuropsychological Bases of Psychiatric Disorders
Neuropsychological of Children's Learning Disorders
Personality Assessment
Psychological Consultation
Psychology of Learning
Practicum in Neuropsychological Assessment
