We have received the data from your Free Application for Federal Student Aid (FAFSA). You must respond to all item(s) listed and supply the Office of Scholarships and Financial Aid with any requested documentation.

Information on your Student Aid Report indicates that you have had one or more student loans canceled or discharged due to permanent disability. Students having canceled or discharged student loans due to a permanent disability are ineligible to borrow additional loans without proper documentation. To be eligible for Title IV federal aid, you must submit written documentation from your physician that you are able to now engage in "substantial gainful activity" such as working or attending school. You must also sign and return the following statement to our office.

I understand that I have had prior loans canceled or discharged due to a permanent disability and that any Perkins or Direct Loans I now borrow cannot be canceled or discharged in the future based upon my present impairment (unless my condition substantially deteriorates).

Please return this form and any other requested documentation to:

BALL STATE UNIVERSITY, OFFICE OF SCHOLARSHIPS AND FINANCIAL AID, MUNCIE, IN 47306.

CERTIFICATION STATEMENT: You must read and sign this statement. I certify that all of the information provided on this letter and on the attached documentation is accurate and complete. If I purposely give false or misleading information, I may be fined $20,000, sent to prison, or both.
