The FAFSA information needs to be that of the parent (and spouse, if married) who you lived with more during the 12 months preceding the date you completed the FAFSA. If you did not live with one parent more than the other, then you must provide information for the parent who provided more financial support during the 12 months preceding the date you completed the FAFSA.

Please check the appropriate line below and fill in that parent's name.

The parent that I lived with most (or received the most financial support from) during the 12 months preceding the date I completed the FAFSA was:
