Ball State Panhellenic Association

P.R.I.D.E. Scholarship Application

Personal Growth I Relationships I Individuality I Dedication I Ethical Behavior

I would like to congratulate and welcome you to Ball State University! This is an exciting time in your life and there will be many opportunities for leadership, personal development, scholarship, and community involvement coming your way. One of these opportunities is becoming involved in Greek Life. Here at Ball State University, we have 10 National Panhellenic Conference sororities, which all work together to form a strong community with an average GPA higher than the all-Ball State average. As Ball State sororities, we maintain five P.R.I.D.E. values: Personal Growth, Relationships, Individuality, Dedication, and Ethical Behavior. We realize our strengths and limitations by maximizing our potential as lifelong learners. We foster bonds of mutual respect and understanding, and we respect the uniqueness of each person and each chapter. We continually pledge to uphold the responsibilities that come with membership in our community, and we strive to align our actions with our values.

The Panhellenic Council of Ball State University would like to offer you the chance to receive one of our scholarships available. We offer our scholarships to all incoming freshmen women with a GPA or Academic Index of 2.8 and above. We are looking for outstanding women who exemplify our mission statement and our P.R.I.D.E. values. Applying for, or receiving, the scholarship does not obligate you to participate in sorority recruitment or to join an organization.

I encourage you to take this opportunity to apply and also to look around our website to answer any questions you may have about Greek Life at Ball State.
