

Chemistry Research Immersion Summer Program – CRISP

BALL STATE
UNIVERSITY.

Applicant Information Form

(Please write clearly or we may not be able to contact you)

1. Name _____ Major 1 _____
Student Number _____ Major 2 _____
BSU e-mail address _____ Minor _____

2. Chemistry classes **completed** (place grades in spaces next to course numbers)

General Chemistry 111 ____ 112 ____ Analytical Chemistry 225 ____ 420 ____
Organic Chemistry 231 ____ 232 ____ Physical Chemistry 344 ____ 345 ____
 234 ____ 235 ____
Other (list with grades) _____

3. When do you plan to graduate? (circle semester **and** year)
[Fall | Spring | Summer] [2017 | 2018 | 2019 | 2020]

4. Are you planning to take classes this summer? (circle response. If yes, please list classes)

- I don't plan to take classes this summer
- classes scheduled for 1st summer session (5-week session) _____
- classes scheduled for 2nd summer session (5-week session) _____
- classes scheduled for summer session (10-week session) _____

5. Circle the term or terms when you will be available to do research

Full Summer (10-week session) 1st Summer Session Only 2nd Summer Session Only

6. Contact Information

Home Phone: _____ BSU Phone: _____

Home Address: _____ BSU Address: _____

7. Mentor Preference: Please see <http://bsu.edu/chemistry> under “research” for mentor research descriptions. While we cannot guarantee this placement, we will do our best to match you to your preferred mentor.

1. _____ Most Preferred 2. _____ 2nd choice 3. _____ 3rd choice

Please return this form to the Chemistry office or to Dr. Sammelson on or before **Friday 3 March 2017**.
