

# Admission Application Overview and Information for M.A. Programs in Social Psychology and Counseling

Before students may be admitted to a graduate degree program at Ball State University (BSU), it is necessary to determine if they have met the requirements of admission to the Graduate School. Thus, all students must first have their undergraduate credentials reviewed and accepted. For US students this is done by the Graduate School; for International Students it is done by the Center for International Programs who also determine the student's eligibility for legal residence.

---

United States Citizens

**Complete Graduate School Application at least 4 weeks prior to department deadline. Send to Graduate School.**

Complete departmental application prior to department deadline. Arrange for all supporting information to be sent to department.

International Students

**Complete International Student Admission Application at least 4 weeks prior to department deadline. Send to Center for International Programs.**

Complete departmental application prior to department deadline. Arrange for all supporting information to be sent to Center for International Programs. See next page.

---

## ***Graduate School Application***

---

1. The Graduate School application form will ask you for your degree objective. Indicate social psychology or counseling as your major, as well as the specific track (e.g. school, clinical mental health, applied) you seek. Do **not** write "psychology" as your degree objective. Doing so will result in your application being forwarded to the wrong psychology department (BSU has three). If you are currently enrolled as a graduate student at BSU, you must still submit an application to the Graduate School.
2. A \$50 application fee is required.
3. An official transcript of every institution attended, including transcripts from which course credits were transferred. The Graduate School will provide the department with access to the transcripts. If you are currently attending BSU or have attended in the past, the Graduate School will obtain your BSU transcripts from the University's files.
4. Send this application to:  
Graduate School  
Ball State University  
Muncie, IN 47306                      Telephone (toll free): 866-285-GRAD

For more information see their website: <http://www.bsu.edu/gradschool>

## ***Departmental Application***

---

1. The application deadlines for the social psychology and counseling programs\* are **February 1 and June 15**. Applicants admitted using either deadline would be able to begin course work in the upcoming fall semester. All material must be postmarked by the deadline.  
\*There is no deadline for the rehabilitation-counseling track.
2. Three letters of recommendation, signed across the seal, are required. We strongly urge you to remind your references of these deadlines.
3. Graduate Record Examination (GRE) scores. Official scores from the GRE General Test must be sent directly to the Graduate School from the GRE Testing Service; the Graduate School who will forward them to the department. Copies are not accepted.
4. Send this application to:  
Master's Program Assistant  
Department of Counseling Psychology and Guidance Services  
Teachers College 622  
Ball State University  
Muncie, IN 47306  
Telephone: (765) 285-8040  
FAX: (765) 285-2067

# Admission Application: M.A. Programs in Social Psychology and Counseling

---

## ***International Applicants***

---

1. If you are not a United States citizen contact the Center for International Programs for an application packet. Remember to apply well in advance of the departmental deadline. The Center prefers applications for our February 1 deadline to have been received by January 1.
2. Complete the departmental application as described above.
3. Send **both** the international and departmental applications to the Center.

Center for International Programs  
Telephone: (765) 285-5422 Ball State University  
FAX: (765) 285-3710 Muncie, IN 47306

For more information see their website: <http://www.bsu.edu/internationaladmit>

---

## ***Required Academic Background***

---

1. Please refer to the departmental program booklet and to the Graduate School catalog to determine whether you meet the requirements for admission.
2. Fifteen (15) semesters or 24 quarter hours of undergraduate psychology courses are required for all departmental master's programs.
3. International candidates may have additional requirements and should contact the Center for International Programs.

---

## ***Graduate Record Examination***

---

1. The GRE General Test is offered as a computer-based test in the U.S., Canada, and many other countries. Paper-based General Test administrations are offered in areas of the world where computer-based testing is not available. The GRE General Test is offered daily at the computer based testing center at BSU. The center is located in Lucina Hall, Room 366; further information can be obtained from the Office of Testing Programs at (765) 285-1290.  
Students can register for the GRE online at [www.gre.org](http://www.gre.org). Scores are mailed approximately six weeks after testing. The Graduate School forwards the scores to the department according to the code you indicate. Use the code for "**Counseling Psychology**" so the scores will not be sent to the wrong psychology department. The psychology subject test is not required.
2. GRE General Test scores older than five years are not accepted.

---

## ***Graduate Assistantships***

---

If you are interested in an assistantship you are advised to contact several departments on campus to inquire about available positions and application requirements. A list of departments that have offered graduate assistantships in the past can be found on page 10 of the Masters Program Handbook; information on assistantships is also available at the Cardinal View Jobs website ([www.bsu.edu/webapps/viewjobs/](http://www.bsu.edu/webapps/viewjobs/)). You must be admitted to a degree program before receiving an assistantship. Assistantships require 20 hours a week of service and typically pay a stipend of \$4000 to \$6000 for the academic year. In addition, assistantship holders receive a waiver of tuition. Student fees are not waived.

---

## ***Important Note***

---

1. We cannot evaluate your application if it is not complete and received by the deadline. You will receive only one notice from the department regarding the status of your application material. We strongly urge you to contact the department and Graduate School before the deadline to check for missing or delayed material. Give us a call or email us! It is your responsibility to complete your file on time.
2. Your application to the rehabilitation program will be evaluated upon completion.
