Tentative Schedule of Courses: Masters of Arts in Curriculum and Educational Technology

Listed below are the courses for students in the Masters of Arts in Curriculum and Educational Technology program. Courses are available in a variety of formats and at various times throughout the academic school year. The list below is a tentative schedule and may be changed depending on enrollment and faculty load. Most of the courses are in a regular rotation and should be offered during the stated semesters. It is the responsibility of the student to make sure s/he completes a plan of study (POS) and schedules his/her courses to make steady progress toward completion of the degree.

Registration for online courses takes place through Extended Education (https://www.bsu.edu/webapps2/see/). Registration for other courses takes place via the traditional campus registration process (http://cms.bsu.edu/About/AdministrativeOffices/Registrar/ForEnrolledStudents/MainCampusRegistration.aspx).
