Dear Ball State Freshman,

I would like to congratulate you on your choosing to attend Ball State University, and I hope your college career proves to be an enjoyable experience. Ball State has shaped me in more ways than I thought possible, and I am confident it will do the same for you. On behalf of the Interfraternity Council, the governing body of all fraternities on campus, I would like to invite you to apply for our Presidential Scholarships. Two awards will be given, one of $500 and another of $250. These scholarships can be applied towards expenses encountered by all incoming freshmen.

Since 1919, fraternity life has been an integral part of student life here at Ball State, and the Interfraternity Council (IFC) continues to engage in a multitude of activities and services representing all member fraternities around campus. We as the Interfraternity Council believe in Scholarship, Brotherhood, Service, Leadership, and Character. This scholarship is one way we give back to Ball State and its students, as we ultimately attend college to pursue scholarship.

The criteria for selection are as follows: must be an incoming freshman male with a well-rounded character, involved high school experience, have led and served others, and shown strong academic achievement. Please return completed applications as soon as possible. We will not be able to accept any applications postmarked after August 17, 2014. Applicants will be contacted with more information regarding interviews during the first week of classes.

Applicants or recipients are in no way obligated to join any fraternity on campus or affiliate with Greek Life.
