Application for NUR 230-231 are accepted online ONLY during the

- First 10 days of Spring semester for the following Summer or Fall admission.
- First 10 days of Fall semester for the following Spring admission.

Admission is competitive; not all qualified students may be admitted. Criteria for admission include the following. A cumulative GPA of 3.0/4.0 or higher (35%), based on a minimum of 30 semester hours completed, is required to apply and be considered for admission to the nursing program. The cumulative grade point average (GPA) is based on all undergraduate coursework attempted, including ALL attempted undergraduate transfer and non-transfer hours. Science courses, including Anatomy, Physiology, Biochemistry, and Microbiology must be current (courses cannot be older than 7 years from the year student is applying to the School of Nursing) and repeated no more than one time. A grade of C- or less is not passing in these courses for the baccalaureate nursing program. If a course is repeated, the most recent grade earned will be used. Pre-nursing GPA (30%) (SOC 100, PSYS 100, CHEM 101, ANAT 201, and BIO 113) and repeated no more than one time. A grade of C- or less is not passing in these courses for the baccalaureate nursing program. If a course is repeated, the most recent grade earned will be used. Pre-assessment score, the NLN PAX test, is required (35%). Priority is given to Ball State matrics. Permission to enroll in nursing courses is required.

See current Baccalaureate Admission Policies for all application and admission requirements. Elective courses are used to raise total credit hours to 120.

The Baccalaureate Program has **FULL ACCREDITATION** with Indiana State Board of Nursing and Commission on Collegiate Nursing Education (CCNE).

Please contact Center Coordinator, Cooper Advising Center, CP 253, (765-285-5513) for information re: equivalent non-nursing courses from IVY Tech State College or go to www.transferin.net for BSU equivalent courses.
