Application for NUR 230-231 are accepted online ONLY during the

- First 10 days of Spring semester for the following Fall admission. Admission for second baccalaureate is fall admissions only.

Admission is competitive; not all qualified students may be admitted. Criteria for admission include the following. A cumulative GPA of 3.0/4.0 or higher (**35%**) based on a minimum of 30 semester hours completed, is required to apply and be considered for admission to the nursing program. Second baccalaureate degree applicants must have a cumulative GPA of 2.75 or higher and may apply for provisional admission provided space is available in the fall class. The cumulative grade point average (GPA) is based on all undergraduate coursework attempted, including **ALL** attempted undergraduate transfer and non-transfer hours. **Science courses, including Anatomy, Physiology, Biochemistry, and Microbiology must be current (courses cannot be older than 7 years from the year student is applying to the School of Nursing) and repeated no more than one time.** A grade of C- or less is not passing in these courses for the baccalaureate nursing program. If a course is repeated, the most recent grade earned will be used. Pre-nursing GPA (**30%**) (SOC 100, PSYS 100, CHEM 101, ANAT 201, and BIO 113) **and repeated no more than one time.** A grade of C- or less is not passing in these courses for the baccalaureate nursing program. If a course is repeated, the most recent grade earned will be used. Pre-assessment score, the NLN PAX test, is required (**35%**). Priority is given to Ball State matrics. Permission to enroll in nursing courses is required.

See current Baccalaureate Admission Policies for all application and admission requirements.

The Baccalaureate Program has **FULL ACCREDITATION** with Indiana State Board of Nursing and Commission on Collegiate Nursing Education (CCNE).

Please contact Center Coordinator, Cooper Advising Center, CP 253, (765-285-5513) for information re: equivalent non-nursing courses from IVY Tech State College or go to www.transferin.net for BSU equivalent courses.
