Dear President Gora:

At the July 2007 meeting of the National Architectural Accrediting Board (NAAB), the board reviewed the Visiting Team Report for the Ball State University Department of Architecture. As a result, the professional architecture programs:

Bachelor of Architecture
Master of Architecture

were formally granted six-year terms of accreditation. The accreditation terms are effective January 1, 2007. The programs are scheduled for their next accreditation visit in 2013.

Accreditation is subject to the submission of Annual Reports. Annual Reports are due by June 1 and must include a response to each condition identified as not met in the Visiting Team Report, a response to each of the causes of concern in the Visiting Team Report, a brief summary of changes that have been made or may be made in the accredited program, and the two-page statistical report. If an acceptable Annual Report is not submitted to the NAAB by the time of its fall board meeting, the NAAB may consider advancing the schedule for the program’s next accreditation sequence. A complete description of the Annual Report process can be found on pages 14–15 of the NAAB Procedures for Accreditation, 2006 Edition.

NAAB encourages public dissemination of information about each school contained in both the school’s Architecture Program Report and the Visiting Team Report. If the Visiting Team Report is made public, then it is to be published in its entirety.

The visiting team has asked me to express its appreciation for your gracious hospitality.

Very truly yours,

R. Wayne Drummond, FAIA
President
