Join us at MD Camp 2017 | June 12th - 30th

Explore your interest in medicine
Gain hands-on medical skills training
Experience life as a medical student

MD Camp is an intensive 3-week camp run by medical students, designed to offer a first-hand preview of life in medical school. Campers are introduced to and prepared for a future in medicine through hands-on training, patient encounters, insightful lectures, and physician shadowing.

Location: the Ohio State University College of Medicine (Columbus, OH)

Cost: the fee is $700, with housing available at an additional cost (reserved for students 30+ miles from campus). However, we offer plenty of scholarships and payment options, so please do not let the cost stop you from applying!

Applications are due by March 31st and can be found on our website at goo.gl/5XLUTO or by contacting mdcamp@osumc.edu. We will consider any high school junior, senior, or recent graduate, who is enthusiastic about pursuing higher education and a rewarding career in healthcare.
