Healthy Habits:

- Cover your Cough and Sneeze – use a tissue and throw it away when you are finished. If you do not have a tissue cough or sneeze into the inside of your elbow.
- Wash your hands with soap and water when possible. If soap and water is not available use hand sanitizer. *Soap and water is the best method
- Stay away from sick people
- Stay home from work or school if you are sick – Please don't share your germs. If your student has a fever they should be fever free for 24 hours before returning to school. If they have had vomiting or diarrhea they should stay home until it has been 24 hours since last episode
- Try not to touch your eyes, mouth and nose – germs often spread this way
- Dress for the weather - Wear layers of clothing, hats, scarves, gloves or mittens
- If you have been ill and your physician has prescribed an antibiotic for pink eye, strep, ...you should be on it for 24 hours before returning to school.

Illnesses: 🤧

Please remember to report to the clinic any contagious illnesses. You may contact the clinic via phone: 765-285-8640 or email: hlchalfant@bsu.edu This allows us to begin deep cleaning in areas of concern and to monitor the spread of the illness. Things such as Hand Foot and Mouth can cause complications to pregnant women. Please report illnesses such as: pink eye, hand foot and mouth, impetigo, MRSA, head lice, ringworm, scabies, strep throat or scarlet fever, gastrointestinal illnesses, meningitis, mononucleosis, influenza, chicken pox, measles, pneumonia, whooping cough...

Wellness Committee Members Needed

Burris Laboratory School is forming a Wellness Committee. We are in need of a few parents to serve on this committee. If you are interested please email Mrs. Chalfant hlchalfant@bsu.edu

Medications:

Please remember that PARENTS should bring medications to the clinic. Students are not to bring medications to the clinic. Parents must sign medication administration form for OTC medications. Prescription medications MUST have a SIGNED physician order. All medications must be in the original pharmacy bottle. Antibiotics can be given at home (before school, after school and before bed).

Prescription Medications:

Should have a note from the physician with student’s name, directions and have a signature. Pharmacy labels are NOT a signed order. Parent then completes administration form.

Over the Counter Medications:

Parent brings in medication in original pharmacy bottle NOT in a baggie...and complete administration form.

Clinic Needs:
