Here is what is happening at Burris this week (April 24th-April 28st):

Monday: ISTEP+ for grades 6-8

Tuesday: ISTEP+ for grades 6-8
3:00 - 4:30 p.m. Brownies (BU 107)

Wednesday: ISTEP+ for grades 6-8
3:00 - 4:00p.m. Daisy Scouts (BU107)

Thursday: ISTEP+ for grades 6-8

Friday: ISTEP+ for grades 6-8

Saturday: Prom

Sunday: Leave for Washington D.C. Trip
We are honored to announce that Mrs. Hesher and Ms. Juday recently received a Bell Grant! We are so thankful for their dedication to our fifth graders and Burris!
Students in AP Studio were visited by Burris Alumni Jessica Craig and Chloe Newman, (Class of 2014). Jessica and Chloe are current students at Ball State University and are majoring in Graphic Arts. They shared their experiences with current Burris students about their past AP studio art class and their first year courses at Ball State. They visited a second time to view and critique AP students work and offer helpful suggestions.

*Muncie Symphony brought Together in Music,* which supports music education taking place in the public and private schools in a number of ways. This season features a range of new presentations, new and returning musician staff, as well as a new text for our young readers! This season’s program is made possible through the generosity of the Ball Brothers Foundation and the Mutual Bank Charitable Foundation. We were very excited that the Muncie Symphony brought their presentation to Burris! Our Kindergartners were able to try out a few instruments! Here are some photos from Wednesdays presentation!
Ivy Tech Visit Burris

A representative from Ivy Tech will be visiting Burris on Wednesday at 8:00am in the Counseling Center. Seniors considering or planning to attend Ivy Tech should sign up in the Counseling Center. Please make sure your 8:00am teacher is aware that you will not be there on Wednesday. If you are already planning to attend Ivy Tech, you are also welcome to attend to ask any questions from the representative.

Heads ups! Ivy Tech

Heads ups! Ivy Tech is having their Step Up program again this year, with an expanded curriculum and two dual credit options. The math program will run for 3 weeks during the month of July and will continue to meet every Wednesday after school during the Fall and Spring semesters. Supplemental instruction and tutoring for math levels Algebra 1 and 2, Geometry, and Pre-Calculus will be offered. Specific academic exercises will help strengthen and reinforce the knowledge necessary to complete their high school math curriculum.

They will also offer both COMM 101 and MATH 123 during an 8-week summer course. These summer sections are open specifically to dual credit students at no cost to the student. The courses will be taught by Ivy Tech faculty members and are available for high school credit per approval. Space is limited in both programs, and it’s encouraged students register as soon as possible to ensure their participation. Both programs are offered at no cost thanks to generous funding provided by the Ball Brothers Foundation and the Ivy Tech Foundation. Both programs will meet at the Ivy Tech Fisher building in downtown Muncie. Students can pick up an application in the Counseling Center.
A group of 4th graders decided they wanted to give up part of their recess to stay in the library and read Poetry. One of their favorites is The Raven, by Edger Allan Poe.

New Books from the Book Fair
Summer Reading Programs

Don’t forget to check out some of the Summer Reading Programs for children and youth in your neighborhood. Usually these programs have fun activities, craft projects & field trips too!!

Here is a list of some local reading programs available in our community this summer.

NOTES FROM THE NURSE

Plan ahead for Next School Year!

Attention parents of current 3rd, 5th and 11th grade students:
Plan for Next school year:

If your student will be in the following grades for the 2017-2018 school year you need to update records for the health clinic.

4th grade: All 4th grade student need to submit an updated school physical form to the clinic. This also serves as their clearance for elementary sports.

6th grade: All incoming 6th grade students will need immunizations prior to the first day of school. 6th grade students should have a meningitis and Tdap (tetanus and pertussis) vaccine. Submit updated immunization records to the health clinic.

12th grade: All seniors will need a 2nd meningitis vaccine prior to the first day of school. Submit updated immunization records to the health clinic.

Please bring updated physical forms and immunization records to the health clinic or to registration for the 2017-18 school year.

All Medications will need to be picked up before 3:00pm on Thursday June 1st

Medications: Please remember that PARENTS should bring medications to the clinic. Students are not to bring medications to the clinic. Parents must sign medication administration form for OTC medications. Prescription medications MUST have a SIGNED physician order. All medications must be in the original pharmacy bottle. Antibiotics can be given at home (before school, after school and before bed).

Prescription Medications: Should have a note from the physician with student’s name, directions and have a signature. Pharmacy labels are NOT a signed order. Parent then completes administration form. Over the Counter Medications: Parent brings in medication in original pharmacy bottle NOT in a baggie...and complete administration form.

Illnesses: Please remember if your student has vomited, had a temperature or had diarrhea in the last 24 hours they should not be at school.

We are seeing strep, nausea, vomiting and plenty of colds. We are working with our custodial staff when specific room or grades are seeing an increase in illnesses.

4th and 5th grade parents sending students to Camp Crosley:

If you are sending prescription or OTC medications please have them turned in to the clinic by Friday May 5th at 3:00pm

Medication will NOT be accepted the day of departure.
YMCA Kidz Marathon

Saturday May 20, 2017
9:00am – 11:00am

Complete Registration form, bring registration form and $3.00 fee per student to the front office or the nurse clinic by April 26, 2017.

Fee includes: race t-shirt, finishers medal, mile marker card, incremental incentives and post race carnival.

If you have questions concerning YMCA Kidz Marathon please contact:

Heather Chalfant 765-285-2340 or hlchalfant@bsu.edu
This is a YMCA event and is not sponsored by Burris Laboratory School.
Spring Burris Soccer Camp

Soccer Camp - $25

The day begins with a fun camp warm-up which gets everyone loose and lots of touches with the ball. As a group they play fun games and exercises which promote confidence with the ball. The day ends with scrimmage play which encourages every player to be involved as much as possible. All members will receive a t-shirt.

Highlights

- Fun, motivated, and experienced soccer coaching staff.
- Great for all skill levels
- Good learning environment
- Includes a camp t-shirt

If possible, please bring a soccer ball, shin guards, and cleats. If you do not have access to these items, tennis shoes will be acceptable.

News From the Athletic Director

Owls, on Saturday, May 13, 2017, our Girls Soccer Coach Isidro Alvarado will be offering a one day soccer camp for any Owl currently in grades Kindergarten through 8th grade. Students will learn the fundamentals of soccer while having a great time and will receive a free t-shirt. If you are interested please visit http://burrisathletics.com/main/teamcamps/id/3625510/seasonId/4079935 and submit to Mr. Wlodarek by May 4, 2017.

On Tuesday, April 25, 2017, our Coed Elementary Track and Field team will compete in the Elementary City Championship at Muncie Central High School with a 3:05 pm start.

On Wednesday, our High School Track and Field team will host Cowan and Union for their Senior Night Meet. Our seven Seniors will be honored with a short ceremony at 5:00 pm before the start of our meet. Owl students will receive admission for only $1 for this meet!

On Friday our Middle School Track and Field team will host the first ever City of Muncie Track and Field Championship with Northside and Southside. City bragging rights on the line with the meet starting at 5:15 pm. Also on Friday evening, our Boys Baseball team will host PAAC opponent Shortridge for their annual night game. Owl students wearing black will receive admission for only $1, while the first 25 students will receive a free giveaway!

Plenty of opportunities to come and support our athletes this week!

Our Mission

Burris Laboratory School fosters a culture of respect and trust where every student is challenged to pursue excellence by engaging in a well-rounded, technologically-enhanced, rigorous curriculum in a safe and secure environment. As a model school, engaged in best-practice research and the preparation of highly effective educators, we collaborate with community partners to prepare students for success in an ever-changing world.
