Resolution for Bicycle Pumps on Campus and in the Village
Adopted
February 2, 2015

Whereas: Ball State University is a major asset for the City of Muncie, and that its faculty, staff, administrators and students contribute to the quality of life in the City of Muncie in any number of ways; and

Whereas: Ball State is interested in being a good neighbor:

Now therefore be it resolved that the Council on the Environment recommends that the appropriate representatives from the Ball State University Department of Facilities Planning and Management arrange for the installation of at least one bicycle pump in downtown Muncie and at least one bicycle pump in The Village. Pumps also could be placed strategically on campus; initially at the Outdoor Pursuits Office. Each pump should display the Ball State logo.
