Certain military veterans qualify for protected veteran status under Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (“VEVRAA”). To ensure that Ball State University is in compliance with its affirmative action obligations and the relevant portions of VEVRAA, federal regulations require the University to submit a report to the United States Department of Labor each year identifying the number of our employees belonging to each specified “protected veteran” category. This report is to further the purpose of aiding in the University's recruitment and hiring efforts related to protected veterans, and to evaluate the University’s compliance efforts by proactively identifying and correcting any deficiencies in the University’s hiring practices.

“Protected veteran” categories are identified in VEVRAA. This statute requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. VEVRAA defines these classifications as follows:

(1) A “disabled veteran” is one of the following:
   a. A veteran of the U.S. military, ground, naval or air force who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or
   b. A person who was discharged or released from active duty because of a service-connected disability.

(2) A “recently separated veteran” means any veteran during the three-year period beginning on the date of such veteran’s discharge or release from active duty in the U.S. military, ground, naval, or air service.

(3) An “active duty wartime or campaign badge veteran” means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.

(4) An “Armed Forces service medal veteran” means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

Voluntary Self-Identification of Disability

Why are you being asked to complete this form?

Because we do business with the government, we must reach out to, hire, and provide equal opportunity to qualified people with disabilities. To help us measure how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. If you are applying for a job, any answer you give will be kept private and will not be used against you in any way.

If you already work for us, your answer will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our employees to update their information every five years. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?
