Judicial Board of Review Manual

Panhellenic Council Members,

This manual is a conglomeration of many resources, borrowing heavily from Dr. David Fried, Director of Student Rights and Community Standards at Ball State University and from the University Review Board manual. It is also adapted from source materials from Iowa State University, Texas A&M University, Sigma Sigma Sigma Sorority Honor Council, and from Dr. Lori Hart Ebert, Ph.D. from Pi Kappa Phi Fraternity: as compiled by Angela Baugher, Graduate Advisor, January 11, 2011

Judicial Board of Review Expectations

Congratulations on being selected to serve as a Judicial Board of Review Member! On behalf of the Panhellenic Council and the Office of Student Life, we welcome you to a year of challenges, learning, and growth. We know you recognize the seriousness and responsibility associated with this position and wanted to provide you with a few basic guidelines that will help you to be successful in this endeavor.

Professionalism

1. You are expected to be a role model on and off campus. All members must abide by all University, PHC, and national regulations and recognize that your status on the board may be contingent upon your disciplinary standing and behavior.
2. Dress appropriately. This means business casual. You will be recognized as a professional and should appear as such. Do not wear chapter letters.
3. You will be assigned a “standing hearing time” each week and will be asked to hold this time in your calendar. If you do not receive notice from the JBR’s Chief Justice of a scheduled hearing time during your standing time four (4) days before the hearing, you may assume that no hearing has been scheduled.
4. When you are assigned a hearing, it is imperative that you attend. The office, your colleagues, complainants and the accused chapter(s) are relying on you to hear the case and make a judgment. If you are ever going to miss a hearing, contact Allie St.Amant (260)553-0840 at least 24 hours in advance.
5. Arrive at the meeting early enough to be able to acquaint yourself with the incident report and discuss any questions you may have with the advisor, chief justice, and board members. This will allow for the meeting to start on time.
6. Members are highly recommended to participate in all required training activities to improve their skills in the hearing process. Seek out those areas you are deficient in that you would like more guidance with and be open to suggestions and aid from the advisors.

Hearing Behavior

1. Please read and understand all the policies. It is vital that you not only know the policies, but also understand their rationale.
2. Regardless of your personal feelings on a policy, your decisions should be in accordance with what is written in the policies. Policy debate should take place in Panhellenic Council meetings.
3. Members of the board should disqualify themselves from a hearing if they have a personal relationship with the chapters or members involved or have knowledge of any circumstance of the case which could compromise their objectivity.
4. Ask questions rather than make accusations.
5. Maintain decorum. Keep side conversations to a minimum anytime the hearing is in progress. As uncomfortable as it might be, waiting in silence is the best policy.

Purpose: This Memorandum of Understanding (MOU) is between the Office of Student Life and the Ball State Greek Councils (Panhellenic Council and Interfraternity Council). It is intended to specify the judicial body with primary responsibility for the handling of organizational disciplinary cases involving fraternity and sorority chapters affiliated with the aforementioned Greek Councils at Ball State University. Both the Office of Student Life staff members and council designees shall review this document annually.

Note: Student/organizational disciplinary matters that may involve possible criminal violations should be communicated to University Police by the department receiving the original report so that the appropriate action can be taken by law enforcement units.

I. Resolution Authority: Determination of how cases are identified in accordance with this MOU will take place by joint discussions between representatives from the Office of Student Life and the applicable Council officers.

A. Reports involving alleged violations of The Code of Student Rights and Responsibilities by members of a fraternity or sorority that are submitted to the Office of Student Life by a source outside the office or that originate within the BSU Greek community will be shared expeditiously with the Office of Student Rights and Community Standards. The Assistant Director of Student Life will review the complaint and make recommendations pertaining to resolution authority for such reports to the Director of Student Life.

II. Case Identification/Jurisdiction

A. All cases that deal with an alcohol violation, vandalism, recruitment rule violation, fight or other Council policy violation will fall under the primary jurisdiction of the Greek council judicial board.

B. All cases that deal with sexual harassment, sexual assault/rape, sexual abuse, hazing, illegal drugs or the joint involvement of a recognized fraternity or sorority and a non-Greek recognized student organization will fall under the primary jurisdiction of the Office of Student Life.

C. Based on available preliminary information, any case that is likely to result in the assignment of a disciplinary sanction of Suspension, Dismissal or Expulsion of a chapter from the University will fall under the primary jurisdiction of a student organization judicial board or the Office of Student Life.

III. Investigations

A. Normally, serious cases such as those identified in Section II above, will require an investigation prior to charges being issued. Such investigations should be conducted expeditiously. In those cases, the Assistant Director of Student Life or Director of Student Life (when appropriate) may appoint one or two staff members to assist in the official investigators.

B. Investigative reports will be submitted to the Assistant Director of Student Life for processing. Jurisdiction of the case will be determined in accordance with Section II above.

Chapter entitlements:

Each chapter is entitled to two (2) spokespersons
- Must be undergraduate active members of the chapter
- If one of the spokespersons is not the chapter president, the president may still be present as an observer

Each chapter which is in violation has their right to an advisor to be present during the hearing
- Not an undergraduate student affiliated with the chapter
- Role is simply to advise/show moral support to the chapter/individual
- Not able to ask questions of witnesses, provide statements, etc.
Phase 1

**Prehearing:** (Make sure you understand the information that has been given to you...if not ask questions!)

Chief Justice, Board Members and advisor from Office of Student Life only:

- Read incident report and the sequence of events
- Identify any **ambiguous areas** or **possible discrepancies** in the report to determine what areas you will need to clarify to determine whether or not the chapter/individual is in violation
- Resolve any process issue (acceptability of witness, written information, etc.) under the direction of the advisor from the Office of Student Life.
- Remember that all **discussion** and **questions** should be limited to facts of the incident and the basis of the charges.

**The most effective form of questioning** in a hearing is the use of open-ended questions. Four key words to remember when formulating an open-ended question:

**What?** Ask for Facts – “What were you doing when...?”

**How?** Bring out feeling and emotion – “How do you think your actions affected others?”

**Could?** Be Careful! (These can turn out close ended) “Could you describe the incident in your own words?”

**Why?** Determine state of mind - “Why did you choose to drink so much alcohol that night?”

*Think of effective questions. Are they open ended? Are you catching them in a multiple choice trap??*
Questioning – How To

- Ask simple questions that allow the person to talk and allow for greatest clarity.
  - Understand the sequence of events
  - Clarify conflicting information
  - Understand each party’s perception

- Make an easy, casual and smooth transition from topic and timelines to reduce confusion.

- **BE BRIEF!** The longer you speak, the more likely you are to provide the answer to the student rather than leaving it open-ended. We call it the MULTIPLE CHOICE TRAP!

- **Do more listening than talking.** Encourage the student to open up. Listen carefully, including between the lines. Insert brief “prompters” as needed.

- Give appropriate time to hear the answer for each question before moving on. Maintain appropriate visual contact.

- **TONE is VERY important. Be inquisitive, NOT interrogative.** Avoid judgmental or evaluative comments like “that’s too bad”, or “I’m glad you said that.” Remember that during every case, an opinion is being formed of the Board and consequently of the disciplinary system as a whole.

- Work as a team during questioning. Without being too mechanical about it, try to cover topics in a systematic order. Have a **purpose** in asking each **question.** Stick to the topic at hand and avoid irrelevant topics the student might address.

- Be certain that you have **resolved** any **conflicting information** before entering deliberation. Do not wait until you are in deliberation and start guessing at reasons for conflicting information.

- Ask questions that reveal the student’s attitude. Try to find out how the student would react if the situation were to arise again.

- Board members should not pass notes, watch the clock, or whisper back and forth during a hearing. Take notes only as necessary.

**Questions you could ask:**

- Over the course of the evening, where had they been? (i.e. bars, private party, fraternity or sorority house).
- Did they consume alcohol at a fraternity or sorority event? If so, who provided them with the alcohol? Was it an open bar or an individual who provided the alcohol? What type of alcohol did they consume (shot, beer, etc.)
- Do they remember how much they drank at the fraternity house? At other locations?
- Was this a rush/recruitment activity?
- Can they describe the house (inside and out – this is used to strengthen the accusation that it actually took place at the house)?
- How did they know about the party at the house (i.e. were they invited by someone, walked up to the house and admitted, etc.)?
- Can they provide an estimate of how many people were at the party?
Phase 2

Hearing:
  - Board members, advisor, & chapter representatives

1. Hearing is called to order by the Chief Justice
2. Introductions of hearing participants
3. The Chief Justice will present the facts of the case including: the presentation of witnesses (if any)
4. Accused is asked Responsible or Not Responsible for each violation, If responsible go directly to deliberation (phase 3) if not responsible – proceed to #5
5. Five minute opening statement by accuser (s)
6. Questioning of the accuser (s) by the justices
7. Five minute opening statement by the accused
8. Questioning of the accused by the justices
9. Accuser calls witness, witness makes a statement
10. Justices question witness
11. Accused questions witness
12. Accused calls witnesses, witness makes a statement
13. Justices question witness
14. Accuser question witness
15. Closing statement by the accuser
16. Closing statement by the accused
17. Deliberation follows

Please refer to Page #15 of the Manual for appropriate ways to question.
Phase 3

FOR DELIBERATION: ALL IN ATTENDANCE EXCEPT THE BOARD MEMBERS AND ADVISOR ARE EXCUSED FROM THE MEETING

Deliberation: Purpose is not only to reach a decision about responsible or not responsible. You should be deciding exactly what happened in the incident and explain how it is that you arrived at the decision.

- Board members, Chief Justice, and Advisor
  1. Chief Justice requests motion from Judicial Board member of whether they find the accused responsible or not responsible.

  2. Discussion of results in deliberation

When deciding responsible or not responsible of the chapter/individual remember to think of what exactly happened in the incident and be able to explain how you arrived at your decision.

Measure the quality of information with:

Preponderance of the Information

- “More likely than not” or “50% and a feather”
  - Preponderance means that you as a board feel that the facts are more likely to be so than not so.

Example:

Gamma Omega is being accused of doing scavenger hunt, which is considered hazing. The women doing the scavenger hunt were new members and under the influence of alcohol.

Do you base your decision based on what you think or based on the conclusions of the questioning session?

In deliberation do you say “I know that Gamma Omega hazes, this has to be right?” Or “Based on the information that was concluded by the questioning, I find them responsible.”
In deliberation after you come up with whether the chapter is responsible or not responsible you must come up with a statement that directly hits at all the points on why you decided either responsible or not responsible.

Based on the example above how would you support your decision of responsible? (Be very specific.)

**Weighing Information**

*Is the information you are hearing:*

If you find conflicting information that you cannot reconcile you must decide what information you believe is accurate and what information you disbelieve.

*Use your own knowledge, experience, and common sense to decide.*
Phase 4

**Sanctioning:** Effective disciplinary sanctions educate students and encourage behaviors that have positive impact on the campus community.

- **Board members, Chief Justice, and Advisor**
  1. Verdict rendered (Responsible or Not Responsible) per violation
  2. Appropriate sanction determined if found in violation or if not found in violation, charges are dismissed.
  3. Charges are put in writing.

**4 Key Characteristics of Good Sanctions**
1. The expectations for the chapter/individual are clear and unambiguous.
2. There is a definite date by which the activity must be completed.
3. Minimum “quality” and quantity standards (e.g., of words in a paper, hours of community service, etc.) are established.
4. The Panhellenic Council officer can reasonably monitor the requirements.

**Questions to ask yourself:**
1. What action by the board would help the individual/chapter learn from this experience?
2. Is the sanction in anyway demeaning? Is it a realistic sanction to expect the individual/chapter to carry out?
3. Does the sanction fit the incident?

- Decisions of the board are assumed to be of the board as a whole.
- All members of the board are expected to support the final decisions including those with opposing opinions.

Ball State University Panhellenic Code of Ethics

We, as members of the Panhellenic community of Ball State University, agree to honor and uphold the National Panhellenic Conference UNANIMOUS AGREEMENTS through our thoughts, words, and actions. Our goal is to be models of pride, honesty, and courtesy for all chapters and individuals of the Greek community. Respect for and consideration of individual rights and feelings are the responsibility of every member. Through encouraging and assisting all Greek members in the pursuit of moral and social advancement and the promotion of love and unity within the Greek community, we will foster an environment of harmony and understanding that furthers the ideals of every fraternity. While keeping with our aim to promote the highest ideals of womanhood, we will hold each other accountable for behavior that is inconsistent with our expected standards of conduct and educate our members fully on these same standards. We will strive to behave in a manner consistent with each chapter’s ritual and founding principles in all interactions with others. By demonstrating these ethical* standards, we truly will be “furthering our fraternity life, in harmony with its best possibilities.”

We as women of Panhellenic Council believe ethical behavior to be the following: We trust each other to be responsible and to conduct ourselves within the realm of high moral standards. We will treat each other with respect and dignity and with the highest amount of fairness and honesty!!
Since 1903, the member groups of NPC have unanimously agreed to pursue certain procedures and ethics that lead to the orderly and equitable conduct of their mutual functions. The UNANIMOUS AGREEMENTS are binding on all member fraternities of the National Panhellenic Conference.

They are agreed on by all groups therefore they apply to everyone

Recruitment:
1. Panhellenic Officers should be completely “disassociated” from their respective chapters for the period immediately preceding formal recruitment (not to exceed 30 days) and during formal structured recruitment
2. No disparaging remarks about other groups
3. No men or alcohol in recruitment and Bid Day activities
4. No bids implied or given out beforehand – before Bid Day
5. No negative publicity on Panhellenic matters
6. No favors or gifts may be given to PNMs by the sorority and/or individual members
7. No buying anything for a PNM
8. No sorority members may visit a PNM in her place of residence during membership recruitment.
9. No suggesting to any PNM that she refuse a bid from one group in order to wait for a bid from another groups or suggest that a PNM list only one choice on her Membership Recruitment Acceptance.

The college Panhellenic cannot take any action that infringes on the rights of the individual fraternities.

A signed bid is binding for 1 calendar year.

Each college Panhellenic will have a Bid Day to conclude formal recruitment.

Each Panhellenic chapter will have one vote through their delegate.

      2. The hearing is closed to observers.
      3. Witnesses shall only be present while being questioned.
      4. As many as seven justices may serve in a hearing, but a minimum of five is required. Justices serve on a rotating basis and are initially chosen by a random selection.

an alumna advisor. An advisor may be present during the hearing. A national officer or advisor is

procedures. In all such instances, however, every effort will be made to maintain fairness to all
parties and to facilitate clear and reasonable expression of the positions reported.
2. In a closed session, the Judicial Board shall decide if there is sufficient evidence to support any
alleged violations. The decision reached should be based upon the evidence presented at the
hearing, which is most convincing, most credible and of greatest weight or probability.
3. If the Judicial Board finds that there is not sufficient evidence to support the allegations, the case
will be dismissed. If the Judicial Board finds the group did violate the regulations, the Board will
determine the sanctions.
4. If and only if the group is found responsible, four factors should be taken into consideration:
   a The gravity of the violation
   b Level of cooperation from the cited organization
   c The impact that violations have on the Greek, university and the surrounding communities.
   d The educational impact of the sanctions on the organization.
5. A good Judicial Board will balance these considerations and make appropriate sanctioning decision.
VI Sanctions for Infraction of Recruitment Rules

A The purpose of the Panhellenic Code of Ethics is to encourage a cooperative spirit rather than punish people who do not adhere to the agreement. It is the spirit behind the Code of Ethics that is important—the spirit for recruitment to be fair and consistent for all Panhellenic women and for the women seeking membership in a Greek organization.

Ethical behavior is expected of all members at all times. Unfortunately, there are times when the recruitment judicial process must be called into place. The NPC UNANIMOUS AGREEMENTS state that each college Panhellenic shall adjudicate fair and reasonable sanctions for infractions of the Code of Ethics. Sanctions must correspond to the nature and degree of seriousness of the offense for both Minor and Major infractions.

B Minor Infractions and Sanctions

1. Minor infractions are based primarily in recruitment procedure violations as outlined in the Panhellenic recruitment guidelines.
   a. Minor infractions include, but are not limited to, recruitment procedure violations such as:
      (i) Budget violations
      (ii) Recruitment regulation violations
         (i) Decorations
         (ii) Recruitment outfits
         (iii) Food/drink
         (iv) Entertainment
      (iii) Gifts of any sort, including personal or preference notes
      (iv) Party extending beyond scheduled closing time, thus delaying potential members
      (v) Submitting event invitation list after specified time
   b. Examples of Appropriate Sanctions for Minor Infractions:
      (i) Official Reprimand (Reports to be sent within one week of imposing sanction.)
         (i) Officially recorded in Panhellenic minutes
         (ii) Report sent to National President of offending group
         (iii) Report sent to NPC Delegate of offending group
         (iv) Report sent to NPC Area Advisor
      (ii) Constructive Sanctions of Positive Nature:
         (i) Host Panhellenic reception for advisors, new members, etc.
         (ii) Present academic enrichment seminars.
         (iii) Set number of community service hours required of each member
         (iv) Plan a workshop for chapter/Panhellenic dealing with recruitment procedures.

C Major Infractions and Sanctions

1. Major infractions are based primarily on recruitment ethics violations as outlined in the NPC UNANIMOUS AGREEMENTS and the Panhellenic Code of Ethics.
   a. Major infractions include, but are not limited to, recruitment ethics violations such as:
      (i) Failing to observe formal silence or contact rules
      (ii) Disparaging remarks about other sororities
      (iii) Identifying recruitment counselors by sorority
      (iv) Incurring recruitment public relations violations, i.e. illegal advertising/removal of advertising
      (v) Extending invitation, directly or indirectly, through a third party before time set by Panhellenic.
      (vi) Encouraging prospective members to Intentionally Single Preference.
      (vii) Suggesting prospective members refuse an invitation from one group to wait for an invitation from another group.
(viii) Serving an alcoholic beverage at a recruitment function
(ix) Having men present at a recruitment function
(x) Knowing inviting a woman to pledge who previously committed or pledged to another NPC group before one year had elapsed from the date of her original pledge commitment.

b Examples of Appropriate Sanctions for Major Infractions:
(i) Constructive Sanctions of Positive Nature
   (i) Plan a Panhellenic workshop and pay for travel expenses of NPC Area Advisor or other NPC representative to attend
   (ii) Plan and execute a major fund raiser for:
       1. Panhellenic scholarship program
       2. Panhellenic’s Alcohol Education Awareness Week
       3. Regional NPC meeting registration fee
   (iii) Plan and sponsor a “mini retreat” for recruitment chairs to talk about ways to improve relations between chapters.
   (iv) Plan a positive public relations program for Panhellenic.
(ii) Suspension of Social Activities
   (i) The deprivation of social privileges involves the suspension of social or intramural participation in varying degrees for specified periods of time. The suspension must be appropriate to the nature and the degree of the infraction. Social probation shall not forbid formal or informal entertainment incident to recruitment or the observance of a national fraternity celebration, i.e., Founder’s Day.

D Inappropriate Sanctions:
NOTE: these are only examples, and inappropriate sanctions are not limited to these examples. For more inappropriate sanctions, please refer to the NPC UNANIMOUS AGREEMENTS
   1. Fines – it is strongly recommended that appropriate sanctions, other than monetary, be accessed. If fines are utilized for certain violations that are measurable, i.e., late event lists, the fine should not exceed a previously determined amount established by a vote of the Panhellenic Council.
   2. It is a violation of the NPC UNANIMOUS AGREEMENTS for a college Panhellenic to lower a chapter’s new member quota as a recruitment infraction penalty.
   3. “Delaying pledging” and “delaying initiation” infringe in the sovereignty of individual fraternities and may not be used as a recruitment penalty.

E Duration and Completion of Sanction
   1. The duration of any sanction imposed shall not exceed 1 year from the time the final decision is rendered. The Panhellenic Advisor and Chief Justice of the Judicial Board imposing the sanction are responsible for the over sight during the life of the sanction.

VII Handling of Other Infractions

A Sanctions for violations of the Constitution and Bylaws of the Panhellenic Council, actions which reflect unfavorably upon the Panhellenic or behavior which violates provisions I, II, III, IV, V, VII, IX, X of the NPC UNANIMOUS AGREEMENTS shall be assessed by the Judicial Board to fit the nature and degree of the offense following a hearing which conforms to the requirement of due process.

B Sanctions may include but not be limited to the sanctions outlined for use in recruitment violations.

C Duration and completion of sanctions provisions specified for recruitment violations apply.

VIII Participation of the Panhellenic Advisor in Judicial Matters
A When a report of a recruitment violation is filed with the Panhellenic President, a copy is also filed with the cited chapter, its advisor and the Panhellenic Advisor.

B The Panhellenic Advisor attends all meetings on judicial matters and may serve as a mediator during the mediation process.

C The Panhellenic Advisor remains neutral, makes sure minutes of judicial meetings are taken, may suggest two appropriate alternative sanctions and keeps the records of all judicial proceedings in her files for three years.

D The Panhellenic Advisor works with the Chief Justice to insure that penalties assessed or recommendations made are fulfilled on time.

E The Panhellenic Advisor may inform the appropriate chapter advisors concerning the judicial procedures and provide written data.

IX Participation of the Chapter Advisor in the Judicial Process

A The chapter advisor of the cited chapter is made aware of the filing of a rule violation by receiving a copy from the College Panhellenic President.

B Advisors act as a resource to their chapters during the judicial process.

C One advisor from each involved chapter may attend the mediation meeting as an observer/non-participant.

D The advisors may assist the chapter in making a presentation to the College Panhellenic Judicial Board if necessary and the preparation of further appeals as desired.

E Advisors receive a copy of the solution/resolution from the Panhellenic Judicial Chairman.

F Advisors make sure that deadlines are kept and closure to the issue is reached.

G Advisors are supportive in upholding the NPC UNANIMOUS AGREEMENTS, the Panhellenic Code of Ethics and recruitment regulations.

X Appeal to the College Panhellenic Committee Appeals Chairman of the National Panhellenic Conference.

A If a chapter is not satisfied that a fair and just sanction has been rendered by the Judicial Board, or if the mediation process has failed or because a small number of chapters in a College Panhellenic Association, makes a Judicial Board ineffective, the chapter may appeal the decision to the College Panhellenic Judicial Appeals Chairman. The CPH Notice of Appeal Form provided to issue notice of intent to appeal shall be submitted to the Panhellenic President within 48 hours of the chapter receipt of the Judicial Board decision.

B The following procedures are required:
1. The chapter filing the appeal and the Panhellenic President each shall send four copies of the complete records of the case by certified mail, return receipt requested, to the NPC College Panhellenics Judicial Appeals Chairman. Her name and address may be obtained from the NPC Area Advisor. These records may be sent in one envelope.
2. The records shall be sent within one week of the time notice of intent to appeal is submitted.
3. The Panhellenic President notifies the NPC Area Advisor Committee.
4. The NPC College Panhellenic Committee Judicial Appeals Chairman will review the information and submit her response within four weeks of receipt.

5. If the NPC College Panhellenics Judicial Appeals Committee is unable to resolve the appeal, she shall be responsible for the further conduct of the case, and shall submit by certified mail, return receipt requested, all date to the National Presidents of the Chapters involved.

6. If the National Presidents cannot resolve the case, it may be referred to the NPC Executive Committee by any National President involved in the case.

7. If the NPC Executive Committee is unable to resolve the case, it may be appealed either by the National President or the NPC Executive Committee to the National Panhellenic Conference, whose decision is final.
The Greek community at Ball State University ("University") has adopted this Risk Management Policy ("Policy") in cooperation with the University’s Office of Student Life. Section I of the Alcohol and Drugs Policy and the other separate policies are based on the Risk Management Policy of the Fraternal Information and Programming Group ("FIPG Policy"). This Policy is intended to apply to all fraternity entities and all levels of fraternity membership, including fraternities that are not FIPG members. Our purposes for adopting this Policy are to promote socially acceptable conduct that reflects the pride we have in each other and in the organizations to which we belong and to enhance the safety of our members and guests. For the purposes of this Policy, the term “fraternity” includes sororities, and the term “member” includes a fraternity’s members, pledges and associates.

This Policy is separate from but complements the University’s Code of Student Rights and Responsibilities ("Student Code"), which sets forth standards governing the conduct of all of the University’s students and sets forth procedures under which the University may initiate disciplinary actions involving individual students and student organizations. All members of the Greek community are expected to abide by this Policy, the Student Code, and other applicable University rules and regulations and federal, state, and local civil and criminal laws, regulations and ordinances. In the event of any inconsistencies, the more restrictive provisions shall apply. This Policy is applied and enforced by the Panhellenic Council ("PHC"), the Interfraternity Council ("IFC"), and the National Pan-Hellenic Council ("NPHC").

No policy can cover all the possible situations that may arise. When this Policy is not specific on a certain point or deferral to the FIPG Risk Management Manual (the “FIPG Manual”) is insufficient, chapters are to conduct their activities in the spirit of the social responsibility embodied by this Policy. Chapters in violation of this Policy will be subject to review by the IFC, PHC and/or NPHC and the Office of Student Life, and they may be referred to one of the Judicial Boards if appropriate.

ALCOHOL AND DRUGS

I. General Policies

A. The possession, sale, use or consumption of alcoholic beverages, while on chapter premises or during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable rules and regulations of the University, the provisions of this Policy and all guidelines issued pursuant to this Policy, the rules and policies of the fraternity’s (inter)national organization, and the laws, regulations and ordinances of the United States of America, the State of Indiana, Delaware County and the City of Muncie.

B. No alcoholic beverages may be purchased through or with chapter funds, nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of or on behalf of the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage, for example, kegs or cases, is prohibited.

C. Open parties, meaning those with unrestricted access by non-members of the fraternity without specific invitation, where alcohol is present, are forbidden.

D. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any person under the age of twenty-one (21).

E. The possession, sale, or use of any illegal drugs, drug paraphernalia, or controlled substances while on
chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity is strictly prohibited.

F. No chapter may co-sponsor an event with an alcohol distributor or tavern (“tavern” is defined as an establishment generating more than half of its annual gross sales from alcohol) at which alcohol is given away, sold or otherwise provided to those present. This includes any event held in, at or on the property of a tavern as defined above for purposes of fundraising. However, a chapter may rent or use a room or area in a tavern as defined above for a closed event held in compliance with the provisions of this Policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held in compliance with the provisions of this Policy.

G. No chapter may co-sponsor, co-finance, attend or participate in a function at which alcohol is purchased by any of the host chapters, groups or organizations.

H. All recruitment or rush activities associated with any chapter will be non-alcoholic. No recruitment or rush activities associated with any chapter may be held at or in conjunction with a tavern or alcohol distributor.

I. No member, pledge, associate/new member or novice shall permit, tolerate, encourage or participate in any drinking game. Examples of “drinking games” include but are not limited to the consumption of shots of any alcoholic beverages, the practice of consuming shots equating to one’s age, “beer pong,” “century club,” “dares,” or any other activity involving the consumption of alcohol which involves duress or encouragement related to the consumption of alcohol.

J. No alcohol shall be present at any pledge/associate, member/new member/novice program, activity or ritual of the chapter. This includes but is not limited to activities associated with “bid night,” “big brother – little brother” events or activities, “big sister – little sister” events or activities, “family” events or activities and initiation.

K. The general policies set forth in this Section I apply to any event or gathering where alcohol is present which a chapter organizes or supports, or which an observer would associate with the chapter, whether or not the event or gathering is on chapter premises and whether or not the event or gathering must be registered in accordance with Section VI of this Policy.

L. For the purposes of Sections II – VII of this Policy, an “event” is defined as any party or function hosted or co-hosted by a fraternity that persons other than members of the fraternity (“guests”) are invited to attend. The rules and policies in Section II apply to an event, other than an Alumni or Family Event, held on the chapter house premises at which alcohol is served or consumed (a “Chapter House Event”). The rules and policies in Section III apply to an alumni or family event held on the chapter house premises at which alcohol is served or consumed (an “Alumni or Family Event”); and the rules and policies in Section IV apply to an event held off the chapter house premises using a third party vendor at which alcohol is served or consumed (a “Third Party Vendor Event”). The rules and policies in Section V apply to an event where no alcohol is consumed or available for consumption at the event (an “Alcohol-Free Event”).

II. Use of Alcohol at an Event Held on Chapter House Premises

A. A fraternity hosting a Chapter House Event must comply with either the BYOB or Third Party Vendor Guidelines set forth in the FIPG Manual. The service and consumption of alcohol at the event must
also comply with the Indiana alcoholic beverages statutes found in Title 7.1 of the Indiana Code and the general policies set forth in Section I of this Policy.

B. Consumption of alcohol at a Chapter House Event, even by those of legal drinking age, is prohibited if the ratio of guests to chapter members in attendance at the event exceeds 1 to 1. The total number of chapter members and guests in attendance at the event also must not exceed the fire code capacity of the chapter house. (Example: a chapter having 100 members in attendance at an event but with a chapter house fire code capacity of 180 may not have more than a total of 180 chapter members and guests inside the chapter house during the event.)

C. Up to two organizations may co-host an event provided the total number of attendees does not exceed fire code capacity.

D. All guests at a Chapter House Event must be at least eighteen (18) years of age. All guests at the event must present proper identification to the fraternity’s door monitor, showing proof of their age.

E. Door Management

1. A printed or typed guest list must be prepared at least twenty-four (24) hours in advance of each event and maintained at the entrance of the function at all times. All guests must sign in to the function next to their name on the guest list. Individuals not on the guest list shall not be allowed to attend the event.

The chapter must assign a sufficient number of door monitors who are trained and qualified to enforce the restrictions (e.g., age, guest list) on entering and leaving the event.

3. Guests twenty-one (21) years of age and older must be clearly identified in a consistent manner as being of legal drinking age (e.g., by wearing a colored wristband provided to the guest upon entrance, or by a mark placed on the back of both of the guest’s hands with permanent marker by the door monitor.

4. Guests shall be required to enter the event through only one (1) entrance; however, all entrances and exits shall be clearly marked, and in no event shall any entrance or exit be locked or otherwise obstructed in violation of applicable fire and safety codes.

5. Guests whose actions, conduct, and/or demeanor suggest that they may be under the influence of alcohol or drugs shall be prohibited by the door monitor from entering the event.

F. Sober Monitors

1. A chapter is required to have at least one (1) sober monitor for every fifteen (15) people present at a Chapter House Event. This includes members and guests. At least one (1) of the sober monitors must be an executive board member or the risk manager of the fraternity, and at least one (1) of the sober monitors must have completed the university version of the Training for Intervention Procedures (TIPS) program for alcohol servers with regard to recognizing an intoxicated person, dealing with a belligerent person, and developing intervention techniques. Sober monitors shall not consume any alcohol or use any illegal drugs or controlled substances at any time during or on the day of the event.

2. The responsibilities of the sober monitors include, but are not limited to, the following:

   a. Obtaining sufficient training and familiarity with this Policy and the FIPG Policy and Manual
to carry out their responsibilities as sober monitors.

b. Monitoring the number of guests at the event and whether they are properly in attendance.

c. Monitoring compliance by members and guests with Sections I and II of this Policy.

d. Monitoring the intoxication level of members and guests and using reasonable efforts, as determined by the monitor, to deal with inappropriate behavior or conduct, including indications of high levels of intoxication (but not at the risk of the monitor’s own safety). This may include measures such as asking someone to leave the event, or if a person is obviously intoxicated, asking someone to help the person get back to the place where the individual is residing or staying. However, if violence or other aggressive or illegal behavior has occurred or is threatened, a sober monitor should call the University Police rather than intervening directly at the risk of the monitor’s or other members’ or guests’ personal safety.

e. Ensuring that all door monitors and sober monitors know the location of, are familiar with, and are adhering to the University’s (and, if applicable, the chapter’s) risk management and crisis management plans during the event.

f. Ensuring that all door monitors and sober monitors are aware of the following telephone numbers, and that the numbers are posted at or near the entrance to the event and are clearly visible and legible:

1. Emergency [911]
2. University Police: (765) 285-1111
3. Muncie Police Department: (765) 747-4838
4. Muncie Fire Department: (765) 747-4877
5. Greek Emergency Hotline: (765) 730-3851
6. Emergency contact telephone numbers for the chapter’s advisor(s) and (inter)national headquarters

The posting shall include a statement that 911 should be called from a land line if possible, because a call from a cell phone may not result in the caller being connected to the Muncie dispatch center – thus resulting in a delayed response.

G. The Chapter must allow Social Evaluation Team (“SET”) members and IFC representatives to enter the chapter facility at any time before, during or after a Chapter House Event in order to carry out their assigned responsibilities under this Policy. Upon the arrival of a SET member or IFC representative at an event, the fraternity and its officers and members, including all door monitors and sober monitors, shall treat the individual(s) as guests and give them the utmost cooperation, including providing them, upon request, any relevant information concerning the event and those in attendance.

III. Alumni and Family Events Held on Chapter House Premises

A. The rules and policies in this Section III apply to any Alumni or Family Event (or Alumni and Family Event) held on the chapter house premises at which alcohol is served or consumed. An Alumni Event is an event where the guests in attendance are limited to alumni of the fraternity and their family members. A Family Event is an event where the guests in attendance are limited to the fraternity members’ families. For these purposes, an alumnus’ or member’s “family” includes his or her spouse, children,
grandchildren, parents, grandparents, brothers, sisters, nieces and nephews, as well as corresponding step and in-law relationships. A single event may be both an Alumni Event and a Family Event. All Alumni and/or Family Events must be held in compliance with the General Policies set forth in Section I above.

C. The rules and policies set forth in Section II of this Policy shall apply to an Alumni or Family Event (or Alumni and Family Event), except that the ratio limitation in Section II.B for guests to chapter members present at the event shall not apply (but the fire code capacity limitation shall apply).

D. Unless otherwise approved in writing by the Office of Student Life, each fraternity is limited to hosting a maximum of four (4) Alumni and/or Family Events each academic year (this means a total of four (4) such events, not four (4) Alumni Events and four (4) Family Events).

IV. Third Party Vendor Events

A. The rules and policies in this Section IV apply to any Third Party Vendor Event at which alcohol is served or consumed. A Third Party Vendor Event is any event hosted or co-hosted by a fraternity using a third party vendor that is held off the fraternity’s premises. A fraternity hosting or co-hosting a Third Party Vendor Event must comply with the Third Party Vendor Guidelines set forth in the FIPG Manual and must hire a third party vendor holding the proper permit(s) under the Indiana alcoholic beverages statutes to serve the alcohol at the event.

B. Both the fraternity and the third party vendor are responsible for ensuring that the event is held in compliance with this Policy. Approved third party vendors will generally be given an updated copy of the Policy annually. If the third party vendor does not have a copy of the current Policy, the fraternity shall provide a copy to the vendor.

C. The rules and policies set forth in Sections II.E and II.F of this Policy, regarding sober monitors and rights of access to the event by SET members and/or IFC representatives, shall apply to a Third Party Vendor Event. If two (2) or more fraternities are co-hosting such an event, the sober monitors must include at least one (1) executive board member or the risk manager from each fraternity.

D. Persons whose actions, conduct, and/or demeanor suggest that they may be under the influence of alcohol or drugs shall be prohibited from entering the event.

E. Fraternities that host or co-host Third Party Vendor Events are encouraged to secure safe transportation to and from events for members and guests.

V. Alcohol-Free Events

A. The rules and policies in this Section V apply to any Alcohol-Free Event. An Alcohol-Free Event is an event where no alcohol is consumed or available for consumption at the event.

B. No person shall consume alcohol prior to or during an Alcohol-Free Event.

C. Persons whose actions, conduct, and/or demeanor suggest that they may be under the influence of alcohol or drugs shall be prohibited from entering the event.

VI. Registration of Events
A. Fraternities must register any Chapter House Event, Alumni Event, Family Event, Third Party Vendor Event or Alcohol-Free Event covered by this Policy with the Office of Student Life at least five (5) calendar days in advance of the event, using the form(s) attached to this Policy as Appendix A.

B. No chapter shall host or co-host an event that hasn’t been properly registered, including all required forms and information, in accordance with this Policy.

VII. SET Administration, Training and Evaluation

A. Administration

1. This Policy and program will be administered and evaluated through a peer evaluation process conducted by the Social Evaluation Team (SET).

2. Membership on SET will be determined by an application and interview process. All fraternities are encouraged to participate in SET in order to promote self-governance. Application and interview procedures are attached to this Policy as Appendix B. Terms of SET members shall be from January to January.

B. Responsibilities of SET

1. SET’s role is to observe social functions at fraternity houses and record their observations on the SET Checklist which is attached to this Policy as Appendix C.

2. SET is not responsible for enforcing compliance with this Policy but rather to observe social functions.

3. SET will notify chapters of their observations at the conclusion of the evaluation; however, SET will not levy sanctions.

4. Chapters may appeal the observation form completed by SET members.

C. Training

1. Each SET member will be trained, within the first two weeks of each semester, such training to be by the IFC Vice President of Risk Reduction, the Greek advisors and/or graduate assistants.

2. SET members must attend the training session each semester. Members who do not attend the training are not eligible to serve on SET.

3. SET training will include the following:

   a. An explanation of the Greek Community Risk Management Policy

   b. An explanation of the role of SET members as evaluators

   c. How to identify and report Policy violations

   d. How to complete the SET checklist

   e. An explanation of the emergency response protocol
f. Techniques for handling conflict and confrontation

g. SET awareness assessment

h. Assignment of SET members based on availability

D. Evaluation

1. SET may visit each fraternity and/or event that has been registered under this Policy. Visits may occur before, during and/or after the event, on any day of the week, and on one (1) or more occasions.

2. The IFC Vice President of Risk Reduction and/or the IFC President may request an evaluation of a fraternity and/or event that failed to register an event in violation of this Policy.

3. Evaluations will be accomplished by means of the SET Checklist which is attached to this Policy as Appendix C. The completed Checklist will be signed by each SET member who participated in the evaluation and by the chapter executive board members receiving the Checklist and will be submitted to the Office of Student Life by noon of the next business day following completion of the evaluation. A copy will be given to the chapter president.

HAZING

No chapter, colony, student or alumnus shall conduct or condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as:

“Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the University or applicable Indiana law.”

Examples of hazing activities, taken from the FIPG Manual, are included as Appendix D to this Policy.

The Student Code, at Section 5.1.2 and Appendix D, also prohibits hazing (as defined in the Student Code) by University students, student organizations, groups or teams and provides for disciplinary action in the event of a violation. In addition, an Indiana criminal statute, Indiana Code §35-42-2-2, provides that hazing (defined as “forcing or requiring another person: (1) with or without the consent of the other person; and (2) as a condition of association with a group or organization; to perform an act that creates a substantial risk of bodily injury”) constitutes criminal recklessness, a misdemeanor, or a felony if it involves a firearm or other deadly weapon or “aggressive driving” that results in serious bodily injury or the death of another person.

SEXUAL ABUSE AND HARASSMENT

The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its
members, whether physical, mental or emotional. This includes any actions, activities or events, whether on chapter premises or an off-site location, which are demeaning to women or men, including but not limited to verbal harassment, sexual assault by individuals or members acting together. The employment or use of strippers, exotic dancers or similar entertainers, whether professional or amateur, at a fraternity event as defined in this Policy is prohibited.

All chapters must:

1. Make sure their chapter house complies with local and state fire and health codes and standards;
2. Post by common phones and in other locations emergency numbers for fire, police and ambulance (the numbers are listed in Section II.F.2.e. on page 5 of the Alcohol and Drugs Policy) and have posted evacuation routes on the back of the door of each sleeping room.

A copy of this Policy shall be available on the fraternity’s website. The fraternity shall also maintain updated copies of this Policy, the FIPG Policy, the FIPG Manual and its national organization risk management policies on its premises for review by members, alumni and key volunteers.
The Risk Management Policy of FIPG, Inc. includes the provisions, which follow and shall apply to all fraternity entities and all levels of fraternity membership.
