April 18, 2012  
12:15 - 12:45 PM

**AZEK Building Products | VAST Enterprises**

**Cindy Martin**
Field Sales Manager  
AZEK Building Products | VAST Enterprises  
Graduate of University of Indianapolis  
In Public Relations  
19 years of experience in the building industry

Presentation on **composite masonry**, which offers a superior value proposition. Manufactured with 95% post-consumer recycled rubber and plastics, they offer visual appeal, design flexibility, strength and durability. At one-third the weight of comparable concrete products, they are perfect for rooftop walkways, paths, patios and decks.
