STANDING RULES FOR CONDUCTING SENATE BUSINESS

1. A member of the faculty or a student who is not a senator may initiate an agenda item by having a senator sponsor that item.

2. A member of the faculty or a student who is not a senator may initiate an agenda item by presenting the item to the Agenda Committee.

3. Senators may submit new agenda items in writing to the Agenda Committee.

4. The Senate will be called to order on the hour with sessions limited to one hour and twenty minutes.

5. Roll will be taken by the members initialing a roster.

6. Senators will be seated in a designated section of the room. Special areas of the chamber will be reserved for the seating of visitors.

7. The distribution of the minutes by mail will substitute for the reading of the minutes.

8. Announcements must be limited to Senate business and must be cleared through the Chair.

9. Scheduled meetings will include, following committee reports, a question-and-answer period not to exceed ten minutes in length, during which senators may request information from other persons present on matters of concern to the University community as a whole. The Chair shall rule out of order questions that are personal, departmental, or collegiate in scope or that do not pertain to University affairs.

10. The first time they speak at a meeting, senators will stand and identify themselves when addressing the Chair or the Senate.

11. Senators may, as a prerogative, address the Senate from the lectern.

12. Senate committees and councils must send minutes, reports, and recommendations to the Agenda Committee.

13. Committee reports should be brief (no longer than five minutes), official statements of the conclusions formally adopted within the reporting body.

14. Proposals must be framed as resolutions or as motions. A lengthy resolution or motion should be submitted in writing prior to the call to order of the meeting.

15. All motions will be put on the floor for debate by a Senator first stating their name followed by a second with a Senator stating their name.

16. When a motion appears on the Senate agenda, the chair of the sponsoring committee, or a representative, or the person sponsoring the motion must be present in the Senate to present the motion.

17. When a lengthy resolution or motion is being perfected, the Chair may request that an amendment be considered "in principle" if in the Chair's judgment this will expedite debate. If the principle is adopted, an
editor or editorial committee appointed by the Chair shall draft appropriate language for ratification by the
Senate at its next meeting.

18. A Senator may interrupt debate on an agenda action item by “move to return motion to committee or refer to
another committee for matters of clarification”. This will require an immediate second, a debate and a simple
majority vote of the body of the Senate. A majority vote will send the item back to the appropriate committee
for further work or clarification. If the motion fails, debate will continue on the original motion followed by
a vote of the body.

19. Voting will be by voice vote unless there is a request for a division of the house or for a written ballot.

20. Voting procedures shall be “of the members present and voting” as defined in Robert’s Rules of Order. In
this process, “yes” and “no” votes are counted, while abstentions are not counted in the total. Unless defined
differently by the standing rules of the Senate or Robert’s Rules of Order, motions pass by a simple majority
of the votes cast. Voting by proxy is disallowed in this process.

21. The Chairperson will appoint a parliamentarian for the Senate. The appointee may be a member of the
Senate or from outside the body. An appointee from the body of the Senate will retain all privileges of a
Senator, while an appointee from outside the body will have no voice or voting rights. It will be the
responsibility of the parliamentarian to keep the Senate acting within the Standing Rules of the Senate and to
interpret other issues by using Robert’s Rules of Order.

22. Any items remaining on the Agenda in the last meeting of the Spring will automatically be carried over to the
Fall Agenda.

23. The Senate Agenda Committee will be empowered to act for the Senate during the summer on emergency
items, pending acceptance by the Senate in the fall.

24. Timetables proposed by the Senate Agenda Committee will be subject to subsequent acceptance by the
University Senate at their next meeting.

25. The Senate, the Agenda Committee and the Governance and Elections Committee may conduct official
business electronically. This includes, but is not limited to, e-mail, electronic postings, websites, voting and
meetings. However, the membership of the aforementioned groups must first develop policies and
procedures for electronic voting and meetings within each group.
