        A motion was made and seconded (Shawger/Gillilan) to place on the floor for discussion.
        The following motion was read by faculty council chair, Kip Shawger:
“It is moved that Senate request the university administration make the following statement:

In light of the ongoing debates around House Joint Resolution 6, Ball State University reaffirms our commitment to diversity and tolerance. We believe that providing a welcoming and supportive environment is not only morally right but also economically sound. To attract the best and brightest students and the most talented faculty and staff, we need to recognize the diverse needs of the university community. On behalf of its faculty, staff, and students, Ball State opposes adoption of House Joint Resolution 6 and supports the goals of the Freedom Indiana organization.”

Discussion ensued. A senate member inquired about the Freedom Indiana organization. Kip Shawger responded that the goal of this organization is supporting the rights of all citizens of Indiana. Opposition to this bill passed the faculty council (Y33-N6), and university council (Y14-N0-A1). The Student Senate Resolution (05-13/14) was authored by two and sponsored by 329, with more sponsors names coming in daily.

It is not clear how the same sex partner benefits offered on campus will play out if this bill is passed. A motion was made and seconded (Fitzgerald/Thurman) to have vote by paper ballot. Clarification was made regarding yes or no. A yes vote means you are opposing the legislation. A no vote means you are in favor of the bill.

The results of the paper ballot: Yay 51  Nay  9  Abstention  1

The motion and vote to opposed HJR6 carried.

The results of this vote will be forwarded to university administration indicating opposition to HJR6.
