Faculty/Staff Response Flow Chart for Distressed Student Behavior Concerns

Follow the flow chart to guide you in which campus resource(s) you should reach out to based on the behavior the student is displaying. The faculty/staff member is asked to contact one or more of the offices below for the corresponding behavior or needs.

Talk to the student to let them know you are concerned about his/her behavior. Use specific examples of the behavior you have seen and why it has caused you to be concerned. Additionally recommend to the student that he/she should contact any of the offices below as he/she would like as well.
