What does this mean? Student Senate has representation from 4 distinct areas outlined below. Please select the affiliation to which you would like to represent. Note that each affiliation has a different required number of signatures and application process. The most appropriate use of this application would be to apply for “At-Large” or “Off Campus” membership. If wishing to apply for Organizational or On-Campus please contact sga@bsu.edu.

Off-Campus: This caucus is comprised of only students living off campus. These representatives apply to the senate and are approved or denied by a senate vote. Minimum of 50 signatures required.

At-Large: This caucus serves as a “catch all” and is comprised of any Ball State student who wishes to serve as a general senator but not be restricted to one of the 3 specific caucus types. This is the largest caucus and these representatives apply to the senate and are approved or denied by a senate vote. Minimum of 50 signatures required.

On-Campus: This caucus is comprised of one student from each Residence Hall who advocate for students living on campus. Each Residence Hall directly elects these representatives. No signatures required – formal election by Residence Halls.

Organizational: This caucus is comprised of one student from organizations which have applied for representation in the Student Senate such as the Big Four multicultural organizations, IFC, NPHC, PHC, UPB, SVS, etc. These organizations directly elect their representatives. No signatures required – formal election by organizations. If an organization wishes to apply for membership contact the Student Government Association via email for more details.
