Request for IDC Research Funds
Teachers College
2016-2017

Application Process and Timeline

The Teachers College IDC Research Funds are designed to provide funding for research that make a significant impact in the field of education and aligned with your personal research goals, as well as those of the department, college, and university.

Requests for funding should meet the following preferred criteria:

- Applications should require funding not to exceed $2,000. Successful proposals will receive funding only one time per year, however, actual expenditure of funds may take up to two years.

- Priority will be given to projects not otherwise funded.

- Funds may be used for research related equipment, materials, travel for gathering data, UG or Grad research assistants, etc.

- Funds may not be used for faculty salary.

- Include a one page Vitae sheet detailing education and scholarship activities related to the research project.

- Completed the required Request for Funds application.

Applications are encouraged from all departments within the college and may be submitted from any faculty member.

Please submit the application and one page Vitae, in PDF format, in one attachment, via email.

Applications will be reviewed by the Teacher College Research Committee.
