How to Connect Your Tracking Device to LifeWorks

Log onto Likeworks.com and follow the steps

1. Use your personal id/password that you created. *User id will be a full email address*

2. Click “Open Wellness Tools”

3. At the top, click the “Track Exercise” link. A drop down box will appear. Click “Connect your Device”

4. Select the device that you would like to sync. Click “Connect” and follow prompts.

For additional information, please call the Working Well office at 765-285-9355
