When one thinks of China, the Great Wall is one of the first things to come to mind. Pretend you are a guard in this tower, protecting China from the barbarians about 500 years ago. Write an English narrative essay that will describe your day. Points to remember: begin your essay with a solid introductory paragraph. Make sure you introduce your character(s), your plot, and describe your setting so readers can see it without having a photo. How will your plot carry out? What will the climax be and how will your story conclude?
