1. Step 1

Midterm grade deficiency submissions are for Freshmen taking 100 and 200 level courses on the Ball State University main campus. All Freshman students meeting those criteria will be in **Bold** and will have a dropdown for selecting grades. Only grades less than C need to be specified. All other Freshmen should be assigned an "NG" so that no deficient grade is submitted. No grade needs to be submitted for other students. Midterm grade deficiency submissions will end Monday, Mar 15 2010 12:00PM. Please be patient after clicking Submit as this process may take a minute or two.
