WIPB-TV			
WIPB-TV has multiple studios, and a remote production truck used			
for the local sports network. The public television station offers immersive			
opportunities for students in telecommunications. Support of the station			
comes through individual memberships, corporate underwriters,			
sponsorships, and outreach services.			
Contributing Members	1,634		
IPR-Indiana Public Radio			
Affords students many opportunities to work alongside professionals in			
administration, station outreach, on-air productions and promotions,			
voice tracking, live hosting, and news.
