Whereas; Ball State University is a signatory of the American College and University Presidents Climate Commitment; and,

Whereas; Ball State University is committed to reducing its carbon footprint; and,

Whereas; applying a carbon impact criterion to all decision making will assist the university in meeting its commitment:

Now therefore be it resolved that the Council on the Environment recommends the adoption of Ball State University policies specifying that a carbon impact criterion be formally integrated into the next **Strategic Plan** for all future decision making with regard to the following:

Education and Research

Co-Curricular Education
Curriculum
Research

Planning and Administration

Coordination and Planning
Diversity and Affordability
Human Resources
Investment
Public Engagement
