Spring 2012 - Ball State University's

Saturday Children's Art Classes

Art & Literature is our theme for Spring! We will be presenting all the different ways that artists and illustrators have supported and illuminated different kinds of books and literature, such as fables, poetry, and adventures.

Classes are held on seven (7) Saturday mornings, 9:30 – 11:30 a.m., from Feb. 25 – Apr. 14 (No class on March 10) in the classrooms of Ball State's Art & Journalism Building. They are open to any child, grades 1-6. Each class is limited to 18 students. However, you can pre-register your child to guarantee his or her placement in a class. This is not required for enrollment, but the class may fill and be closed to additional students. Pre-registration is recommended if you want to ensure your child's enrollment. There are 2 ways to register:
