Practice: Is it the Ultimate Vital Sign?"***

**Ball State University
Health and Physical Activity Building - Room 100
Wednesday, April 27, 2011 @ 4:00 p.m.**

Dr. Arena is currently the Head Clinical Exercise Physiologist for the Pauley Heart Center at VCU, is a Researcher for the National Institutes of Health/National Heart, Lung, and Blood Institute in Bethesda, MD, and is a Physical Therapy Specialist, Noninvasive Cardiology, for Virginia Commonwealth University Health System. Dr. Arena currently holds several joint appointments with VCU, but will be going to the University of New Mexico in June to become the Director of the Physical Therapy Program there. Dr. Arena's primary research interest is investigating the clinical value of cardiopulmonary exercise testing and training in the heart failure population.
