if you are applying to Ball State for the first time, you must request an official transcript be sent to Ball State University Graduate School from the registrar at the institution that granted your baccalaureate degree as well as from any other institution beyond high school where you attempted academic work. Transfer credit posted on records of other institutions is unacceptable. Note: Transcripts will not be accepted directly from applicants. It is not necessary to request Ball State transcripts of work taken anywhere before any Ball State degree.

All transcripts become the property of Ball State University.
