Revised Program:

Doctoral Program in Educational Psychology - General Track http://www.bsu.edu/tcapps/uas/cc/feb2410/docprgmedpsygentrk.pdf

Revisions have been made in order to streamline the program, making sure that students get specific courses that used to be options and now are requirements. Redundant content has been analyzed and eliminated from revised program. Courses in the program have been revised as indicated above (EDPSY 645, 740, 785). This is a 90-hour program, but only 87 hours are reflected on the revised program form. There is an error. There should be 9 hours of electives instead of the 6 reflected in the document. This error will be corrected and submitted before moving forward to GEC.

Motion to accept the proposed course revisions Kruczek (motion); Merbler (second). Motion approved.

Motion to accept the revised program as amended with the 9 hours of electives as opposed to 6 reflected on the document submitted. Kruczek (motion); Davis (second). Motion approved.

## 3. **Department of Elementary Education**

**Revised Programs:** 

Teaching Major in Early Childhood Education (Birth – Grade 3) <a href="http://www.bsu.edu/tcapps/uas/cc/feb2410/tchngmjrerlychldhdedubir-gr3.pdf">http://www.bsu.edu/tcapps/uas/cc/feb2410/tchngmjrerlychldhdedubir-gr3.pdf</a>

EDEL 450, a course that students used to take following student teaching, has been eliminated from the EC and EDEL program, and is being replaced by EDEL244: Early Childhood and Elementary Education for Social Justice. The new course will take place early in the program, and student teaching will now be the capstone experience for program majors. Laurie Mullen pointed out that newly required courses require program modeling in order to pass through PEC. Eva Zygmunt-Fillwalk indicated that paperwork would be forthcoming before the revised program is moved along. She will forward new program model to Roberta Cunningham in the next week.

Motion to approve revised programs in block pending modeling of 244 (Kruczek (motion) Merbler (second). Motion approved.

UCC-21:

EDEL 100: Education in a Democratic Society <a href="http://www.bsu.edu/tcapps/uas/cc/feb2410/ucc21edel100.pdf">http://www.bsu.edu/tcapps/uas/cc/feb2410/ucc21edel100.pdf</a>

The Department of Elementary Education seeks the "T" designation for EDEL100. The course already has the "S" and "I" designation and is not seeking the "T" designation to reflect the work that students do in the establishment of their digital portfolio.

Motion to approve EDEL 100's "T" designation. McRae (motion): Merbler (second). Motion approved.
