

TCOM 399 PRACTICUM

(ON CAMPUS On-the-Job Experience ONLY)

The Department of Telecommunications recognizes the importance of practical learning opportunities by offering credit to students involved in supervised, on-the-job experience in media related industries.

TCOM 399: PRACTICUM (1-3 credits)

Credit may be earned for approved on-the-job experience assisting a faculty member, working at an on-campus media facility, or assisting students in certain departmental studios or labs. A practicum proposal must be approved and supervised by a TCOM faculty member. No student may earn more than a total of 3 credits. Credits are assigned according to the number of hours per week involved in the experience. TCOM 399 does not substitute for a course offered by the department.

Students may not exceed a total of 15 credits in any combination of TCOM 391, 397, 399, and 497.

ATTACH TO THIS TCOM 399 APPLICATION a short summary of the proposed practicum, including your responsibilities, name of immediate supervisor, and approximate hours you will work each week.
