Could Have Should Have Anonymous, 2012

She said, oh you should have zigged when you zagged I said it doesn't sound like any life I've ever had Where you could just lay it out like the pages of a map

What did you see that had you seeing it in your sleep? Oh, what did you see?

And what did you hear that had you hearing it for years? Oh, what did you hear?

Darling, what did you do that had you living in your nightmares? Darling, what did you do?

She said, oh, I wouldn't be here if I didn't care, I would have gone out, out there I said it sounds like the life I've always had Where you could lay it out like the pages of an inventory the things, the things you could steal from me
