- ifc-l (IFC fraternity presidents and IFC exec board members)
- phc-l (PHC sorority presidents and PHC exec board members)
- bsunphc (all NPHC members)

To send an email to a listserv that you belong to, simply type the address in to the 'to' line of your email. For example:

TO: bsunphc@listserv.bsu.edu
SUBJECT: upcoming meeting

If you are not receiving messages on the listserv, contact Maria Bumbalough in the office.

Grade Appeals Process

Issues with grades inevitable arise. The grade appeals process is an opportunity for chapters to report any grade issues to the Office of Student Life so that the chapter's GPA can be recalculated accordingly. For example, if a member was given a D by a professor but really should have had a B, then he/she should report the grade change to the office after the professor has changed the grade officially within the computer system. The chapter's GPA will be adjusted to reflect the grade change. Grades appeals will be accepted after grades are distributed to chapter presidents on January 9th through January 16th. Once the appeals process is over, the semester report will be released publicly.

Roster Updates

All roster changes must be updated by January 11th. This update removes any December graduates, adds any newer members and also changes new members to initiated members. Presidents are ultimately responsible for making sure additions, deletions and corrections are made by the deadline.

Order of Omega

Order of Omega is an international honorary formed to recognize those fraternity men and women who have attained a high standard of leadership in interfraternal activities, to bring together outstanding fraternity men and women to create an organization which will help to mold the sentiment of the institution on questions of fraternity affairs, to bring together members of the faculty, alumni, and undergraduate members of fraternities and sororities, and to help create an atmosphere where ideas and issues can be discussed openly across Greek lines and to help work out solutions.

Rho Lambda

Members of this Greek honorary for women must be nominated and selected by members of their sororities in the fall of their junior year.

Greek Academy:

Greek Academy is a half day experience each semester in which new members of the Ball State Greek community have the opportunity to learn about what it means to be Greek at Ball State. Greek Academy allows new members to develop a strong sense of community through discussion and interaction. This is also a time to further develop and train all officers by creating sessions containing position specific information. Each officer will have an opportunity to attend two sessions that will provide them opportunity to develop additional skill or build upon existing skills. Greek Academy is scheduled for February 5th this semester. Topics vary every year but tend to focus on the following:

How Much are Council Dues?

IFC chapters pay dues each semester and they are IFC dues are \$13 per member. Panhellenic dues are \$9 per member per semester. National Pan-Hellenic dues are \$10 per member per semester. Council dues are based on the chapter roster maintained in the Office of Student Life. Keeping your roster consistently up-to-date is an easy way to eliminate issues with your dues invoice. Contact the VP of Administration with questions about dues.

Why Run for Panhellenic, National Pan-Hellenic and IFC Elections?

The leaves are turning colors, the temperatures are getting cooler and the end of the semester is finally in sight. These signs could mean only one thing...election time for many fraternities and sororities!

Many people are considering which chapter office or chair position to run for during the upcoming weeks. Taking on a leadership position within the chapter is a great opportunity to build skills and grow as a person; however, an executive board position on Panhellenic, National Pan-Hellenic, and Interfraternity Councils can provide this and so much more!

Council positions provide opportunities for the executive board members to strengthen existing leadership skills and create real change within the community. These individuals network with campus administrators and Greek leaders from other schools. In addition, they bring together people from different organizations to improve the community thus improving chapters within the community.

Having members on the Greek council is also a way to ensure your chapter's voice is heard and to have a say in the direction of the community. Tapping individuals with Greek leadership experience and knowledge to run for these positions is just as important as tapping the person who will succeed the chapter's executive board.

Accreditation Essentials

- Hold a study skills session for new members
- Pay IFC and Panhellenic dues. Contact the VP of Administration for the council with specific questions
- Yes chapter elections are coming up but don't forget about the IFC and Panhellenic elections. These men and women should represent the best of the best Greek members. Seek out members from your chapter and others to run for elections!
