

# BALL STATE UNIVERSITY – VINCENNES UNIVERSITY CONNECT PROGRAM COURSE LISTINGS (July 1, 2003)

Successful completion of CONNECT guarantees transfer admission to Ball State University for students who were not admissible out of high school (admission to restricted majors is not guaranteed). CONNECT participants are required to earn a minimum of 24 transferable college-level credits at an Ivy Tech site and/or Vincennes University, and earn a minimum cumulative grade point average of 2.0 (on a 4.0 scale). Only specific college-level courses in which you earn a grade of C or better will count toward the 24 credits needed to gain admission to Ball State. A CONNECT certified counselor at an Ivy Tech site or Vincennes University will help you select classes that satisfy the program requirements. **If you have not applied for admission to Ball State previously, you must do so to benefit from a CONNECT agreement. Please contact Ball State's Office of Undergraduate Admissions at (800) 482-4BSU or (765) 285-8300 to discuss your admissibility.**

## VU COURSES LISTED BY BSU "UNIVERSITY CORE CURRICULUM" GROUPINGS

### REQUIRED (FOUNDATION AND MATH) COURSES

*Students must take these four courses.*

ENGL 101.....	ENG 103	English Composition 1
ENGL 102.....	ENG 104	English Composition 2
MATH 101.....	MATHS 108 <sup>1</sup>	Intermediate Algebra
SPCH 143.....	COMM 210	Fundamentals of Public Communication

### (OTHER) FOUNDATION COURSES

HIST 131 & 132.....	HIST 150 <sup>2</sup>	
Or HIST 235 & 236.....	HIST 151 & 152 <sup>2</sup>	World Civilization 1 & 2
MATH 111.....	MATHS 131 <sup>1</sup>	Finite Mathematics for Business
Or MATH 115.....	MATHS 161 <sup>1</sup>	Applied Calculus 1
Or MATH 118.....	MATHS 165 <sup>1</sup>	Calculus 1
PHED 225.....	PEFWL 100	Physical Conditioning

### PHYSICAL EARTH AND LIFE SCIENCES<sup>3</sup>

*Choose no more than two courses and no more than one from each group (Physical, Earth, or Life) to ensure productive transfer.*

<b>PHYSICAL:</b>	ERTH 210.....	ASTRO 100	Introductory Astronomy: A Study of the Solar System and Beyond
	CHEM 101 & CHML 101.....	CHEM 101	General, Organic, and Biochemistry for the Health Sciences
	CHEM 105 & CHML 105.....	CHEM 111	General Chemistry 1
	PSCI 101.....	PHYCS 100	Conceptual Physics
<b>EARTH:</b>	ERTH 101 or EARTH 208.....	NREM 101	Natural Resources and Environmental Management
	ERTH 100.....	GEOG 101	Earth, Sea, and Sky: A Geographic View
	ERTH 115 & EARTH 115L.....	GEOG 101	Planet Earth's Geological Environment
<b>LIFE:</b>	HLTH 201.....	HSC 160	Fundamentals of Human Health
	LFSC 100 or LFSC 101 or LFSC 102.....	BIO 100	Introduction to Biology
	LFSC 105 & LFSL 105.....	BIO 111	Principles of Biology 1

### SOCIAL AND BEHAVIORAL SCIENCES<sup>3</sup>

*Choose no more than two courses to ensure productive transfer.*

ECON 100.....	ECON 116	Survey of Economic Ideas
Or ECON 201.....	ECON 201	Elementary Microeconomics
HIST 139.....	HIST 201	American History, 1492-1876
Or HIST 140.....	HIST 202	American History, 1877-Present
POLS 111.....	POLS 130	American National Government
SOCL 151.....	SOC 100	Principles of Sociology
SOCL 154.....	ANTH 101	Introduction to Cultural Anthropology
Or SOCL 254.....	ANTH 103	Archaeology and Culture

### FINE ARTS<sup>3</sup>

*Choose no more than one course to ensure productive transfer.*

MUSM 118.....	MUHIS 100	Music Appreciation
Or THEA 100.....	THEAT 100	Introduction to Theatre

### HUMANITIES<sup>3</sup>

*Choose no more than one course to ensure productive transfer (exception: pursuing one foreign language is nearly always useful).*

FREN 101 or FREN 103 or FREN 201.....	FR (comparable)	French (comparable)
GRMN 101 or GRMN 103 or GRMN 201.....	GER (comparable)	German (comparable)
LITR 220 or 221.....	ENG 205	World Literature
PHIL 111.....	PHIL 100	Introduction to Philosophy
SPAN 101 or SPAN 103 or SPAN 201.....	SP (comparable)	Spanish (comparable)

### INTERNATIONAL AND GLOBAL STUDIES

*Choose no more than one course to ensure productive transfer.*

ERTH 207.....	GEOG 150	Global Geography
PHIL 220.....	RELST 151	Religions of the World
POLS 211.....	POLS 293	International Relations

**NOTES:** 1) MATH 101 does not meet any University Core Curriculum requirement, but is required by the CONNECT program. CONNECT certified advisors may suggest major-appropriate substitutions and are provided with a list of majors that require advanced or specialized Math at Ball State. MATH 111 (Ball State University's MATHS 131) is required for all Business majors. 2) Ball State requires that every student take either HIST 150 or HIST 151 AND 152. History majors usually take the latter pair. Both HIST 131 and 132 are required to impart similar content to Ball State's single-semester HIST 150. 3) The "Distribution Elective" in Ball State University's Core Curriculum allows a student to choose one additional course from the sciences, social/behavioral sciences, fine arts, or humanities groups for productive transfer.
