

Department of
Physics and Astronomy
Open House

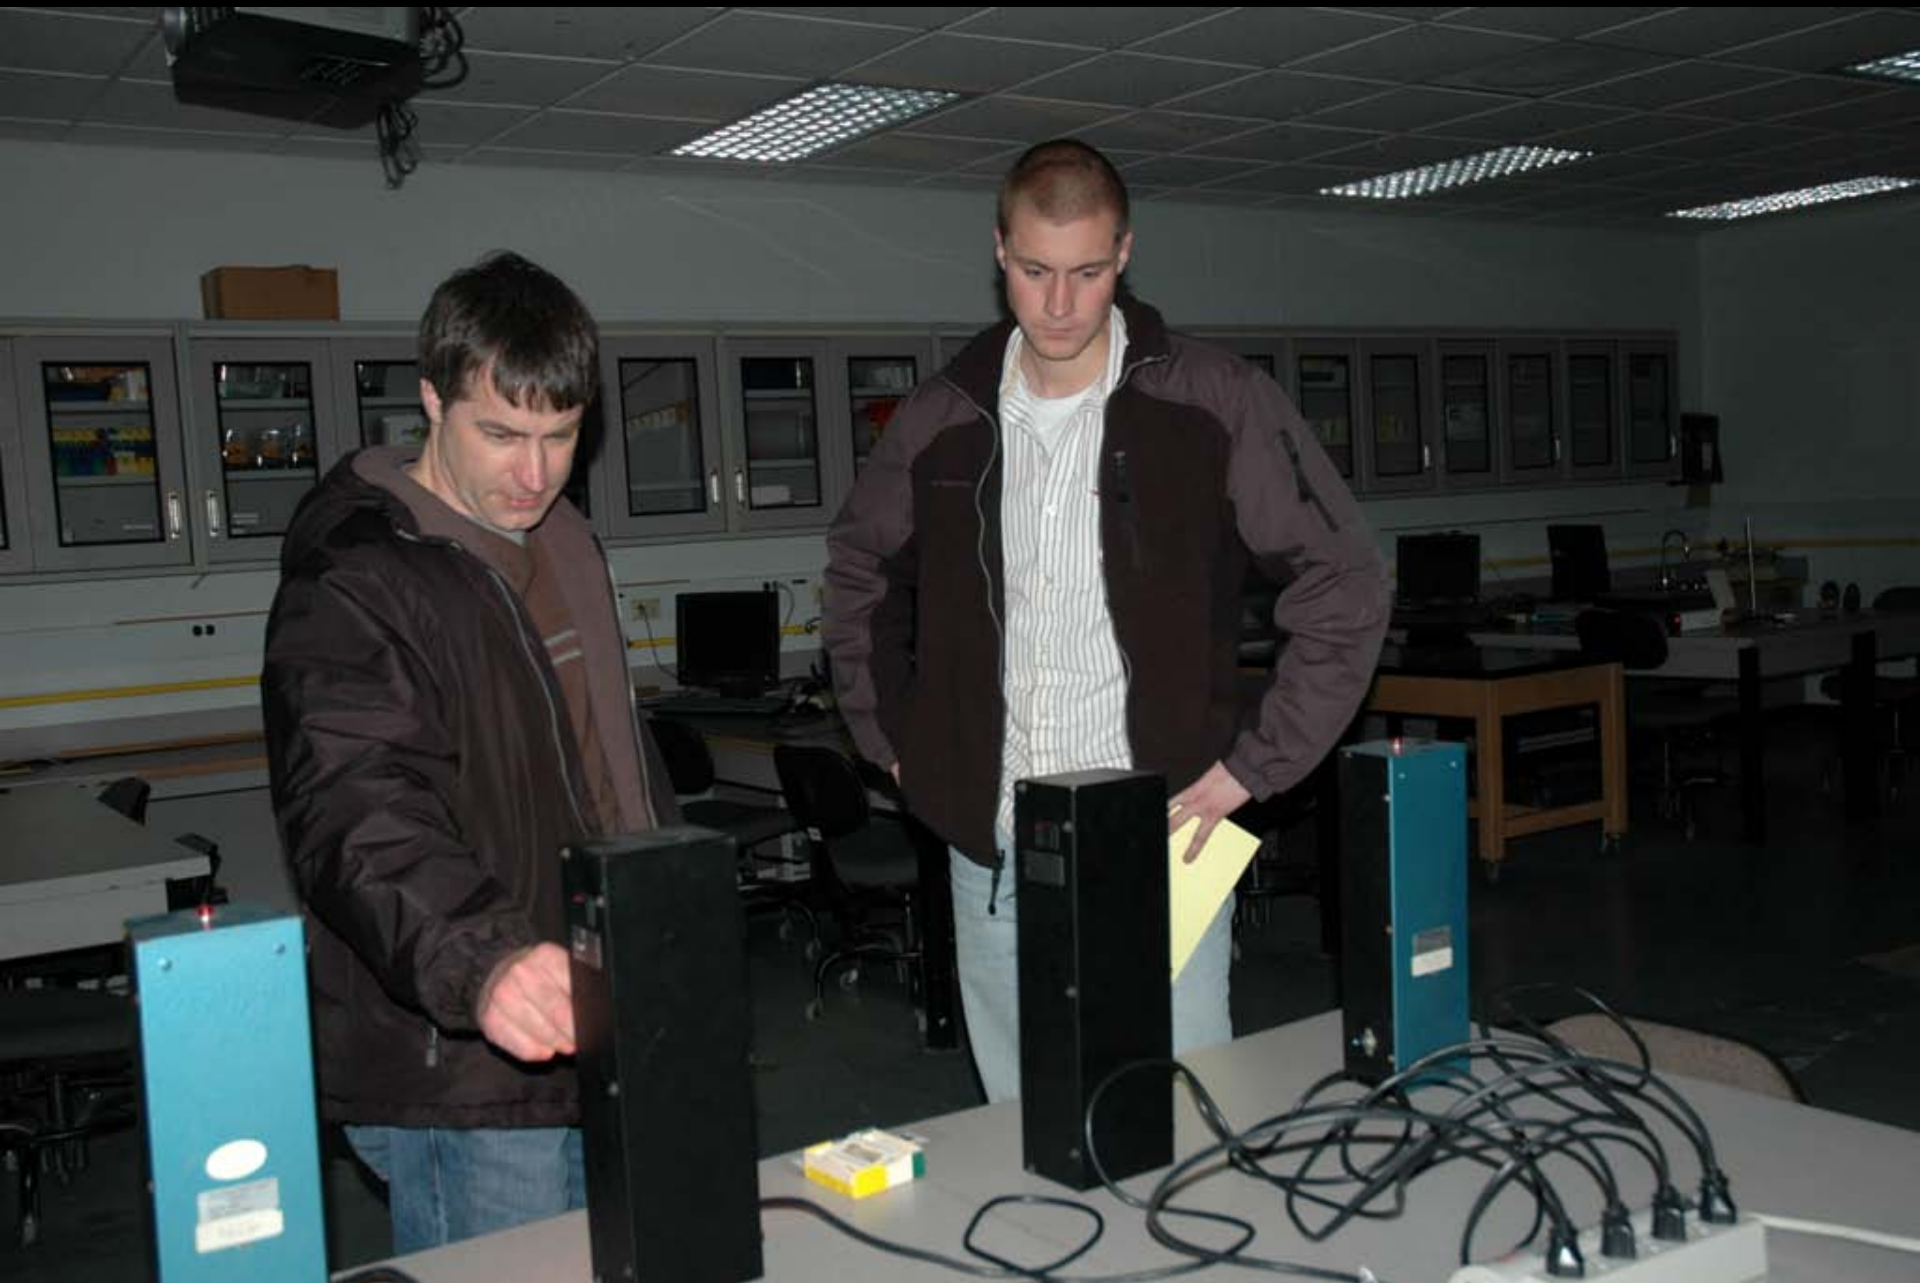

April 9, 2010

Spectrum Tubes Display

Spectrum Tubes Demonstration

Spectrum Tubes Displays

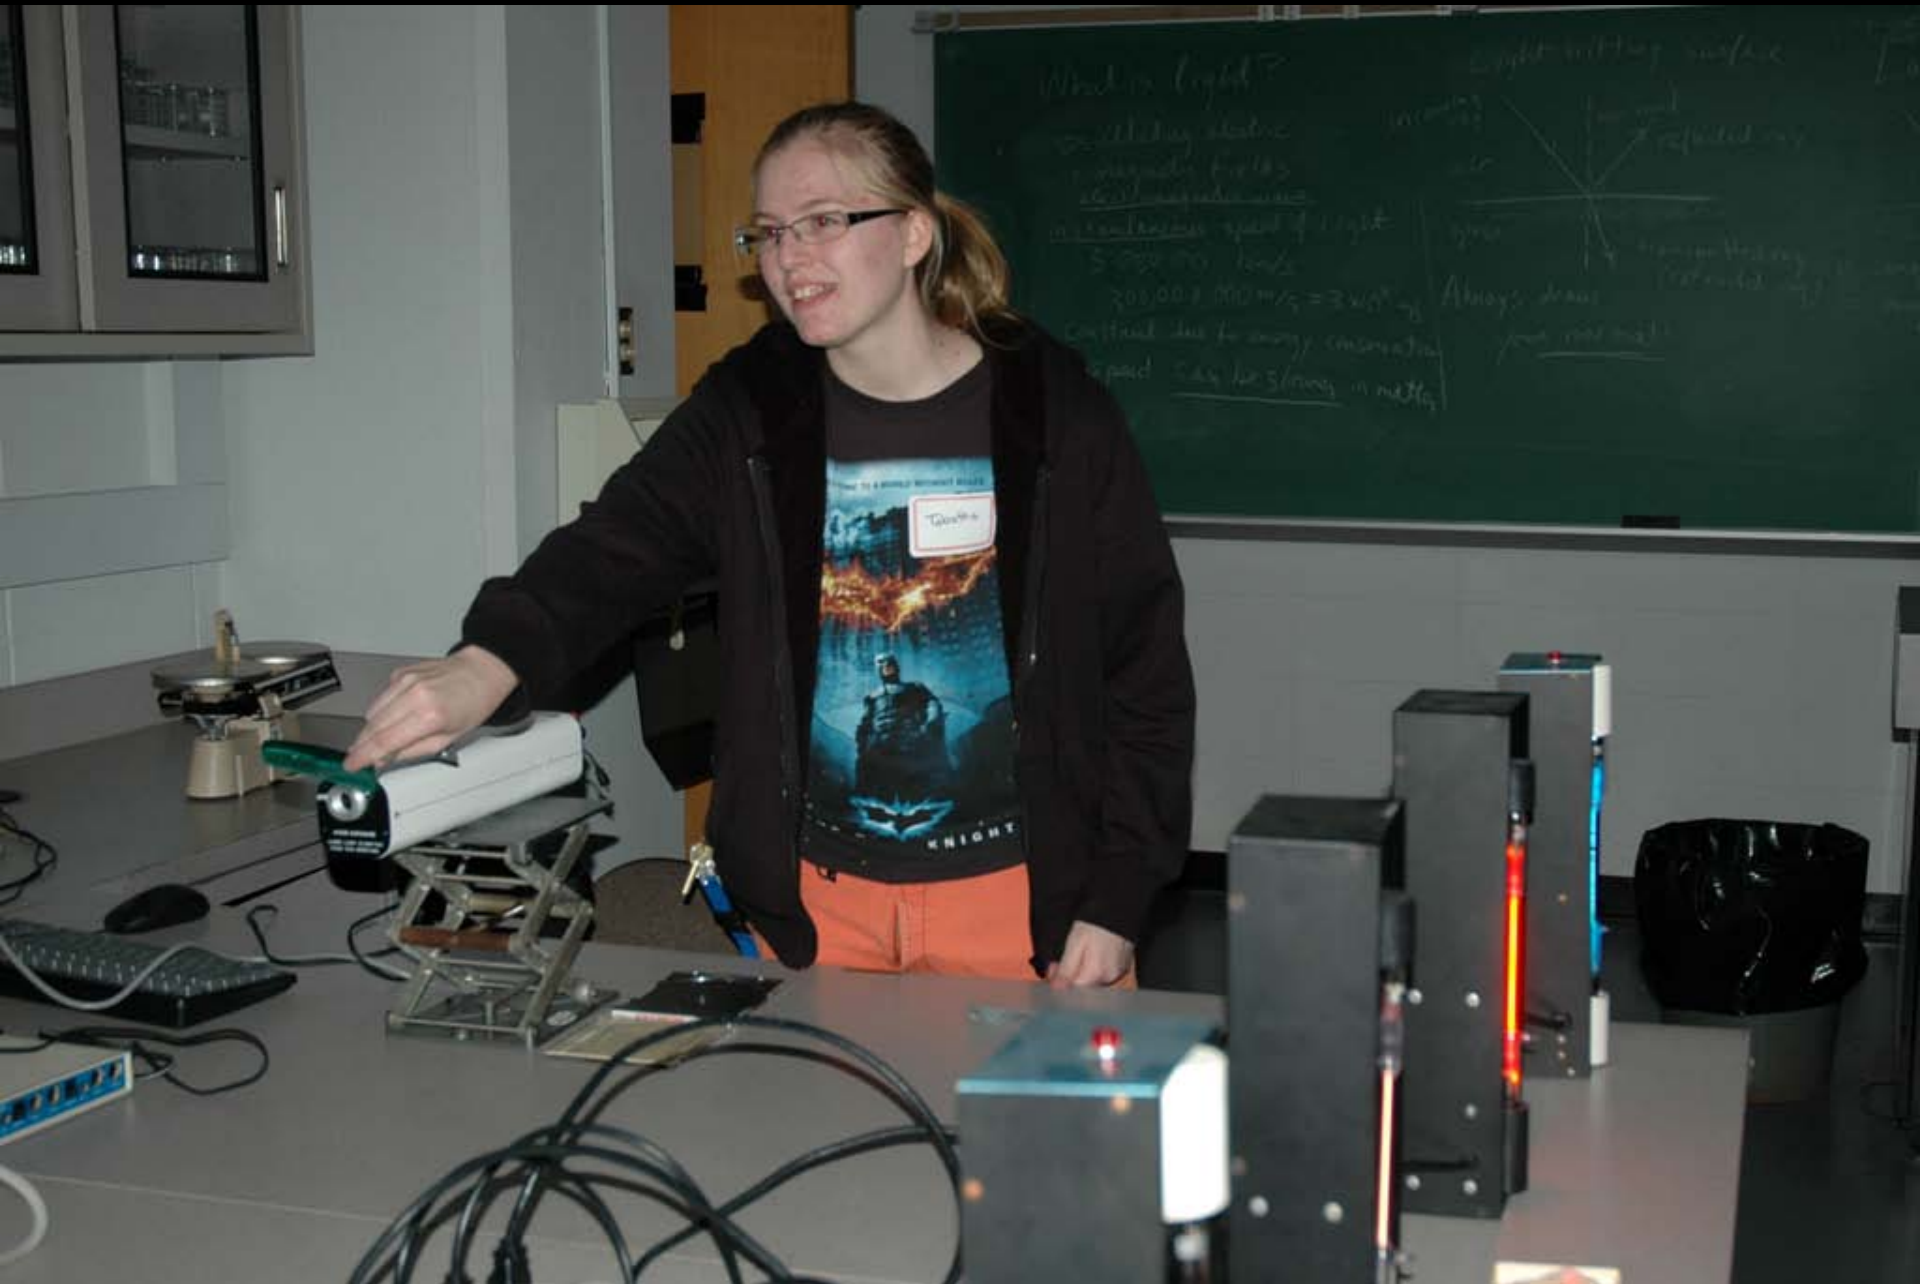

Holography Displays

Interactive Demonstrations

Interactive Demonstrations

Laser Communications Demonstration

Academic Opportunities in Physics and Astronomy Presentation

Academic Opportunities in Physics and Astronomy Presentation

Computational Astrophysics Research Laboratory

Computational Astrophysics Research Laboratory

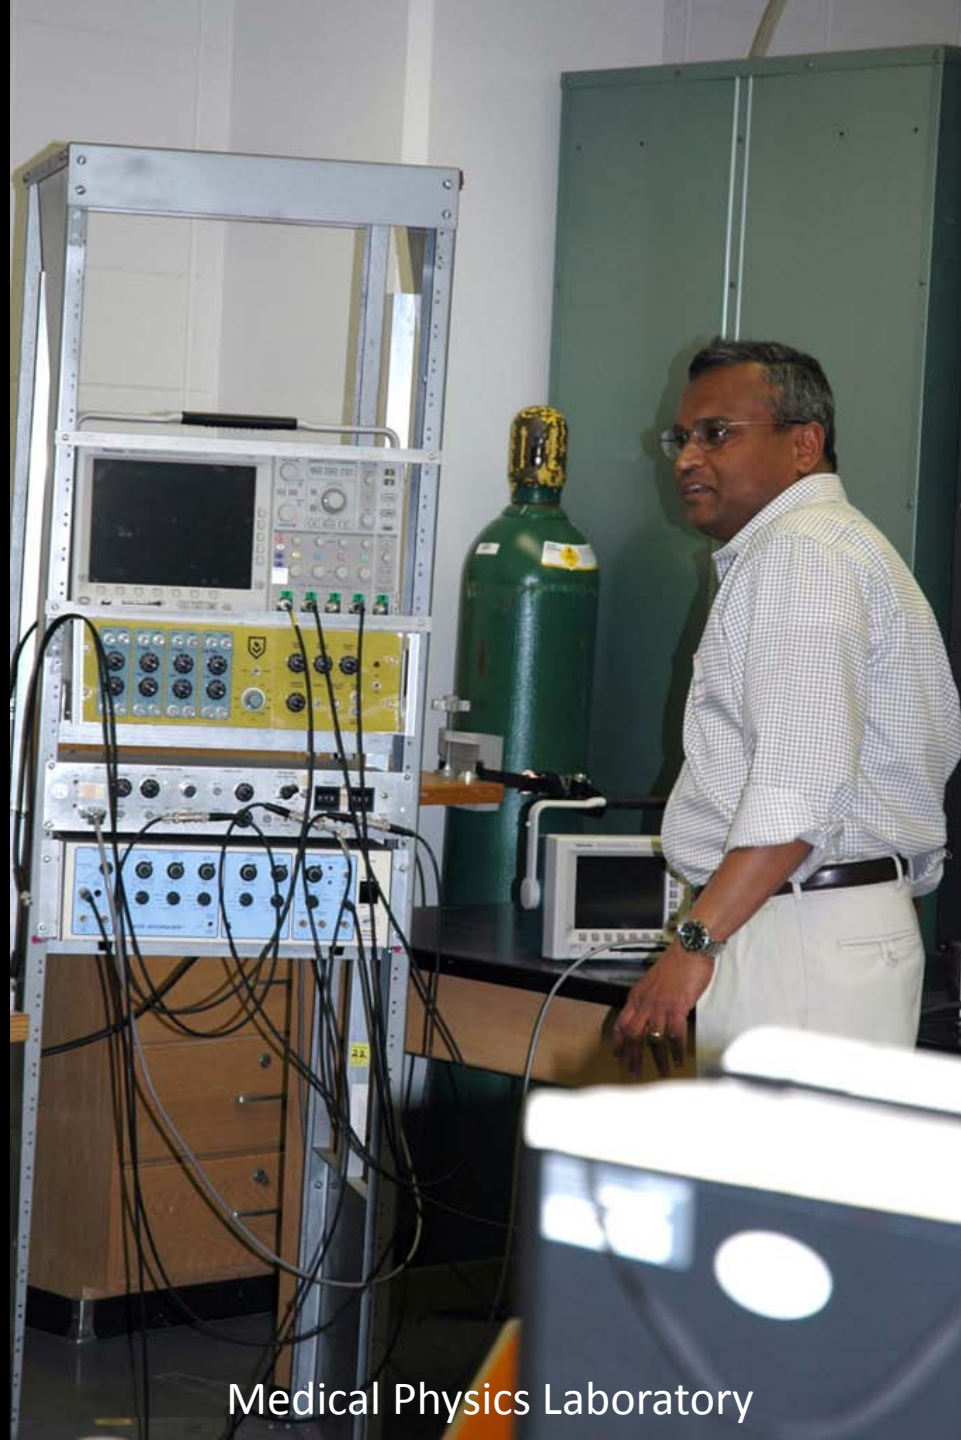

Nanotechnology Research Laboratory

Nanotechnology Research Laboratory

Medical Physics Laboratory

Medical Physics Laboratory

Medical Physics Laboratory

Nanoparticles for Diagnosis Tumors

Strong absorption peak of Si

Strong absorption of Si

Cancer Detection by Infrared Rays

Comparison With

Cancer

IR emission

Effect of magnetic field

Medical Physics Laboratory

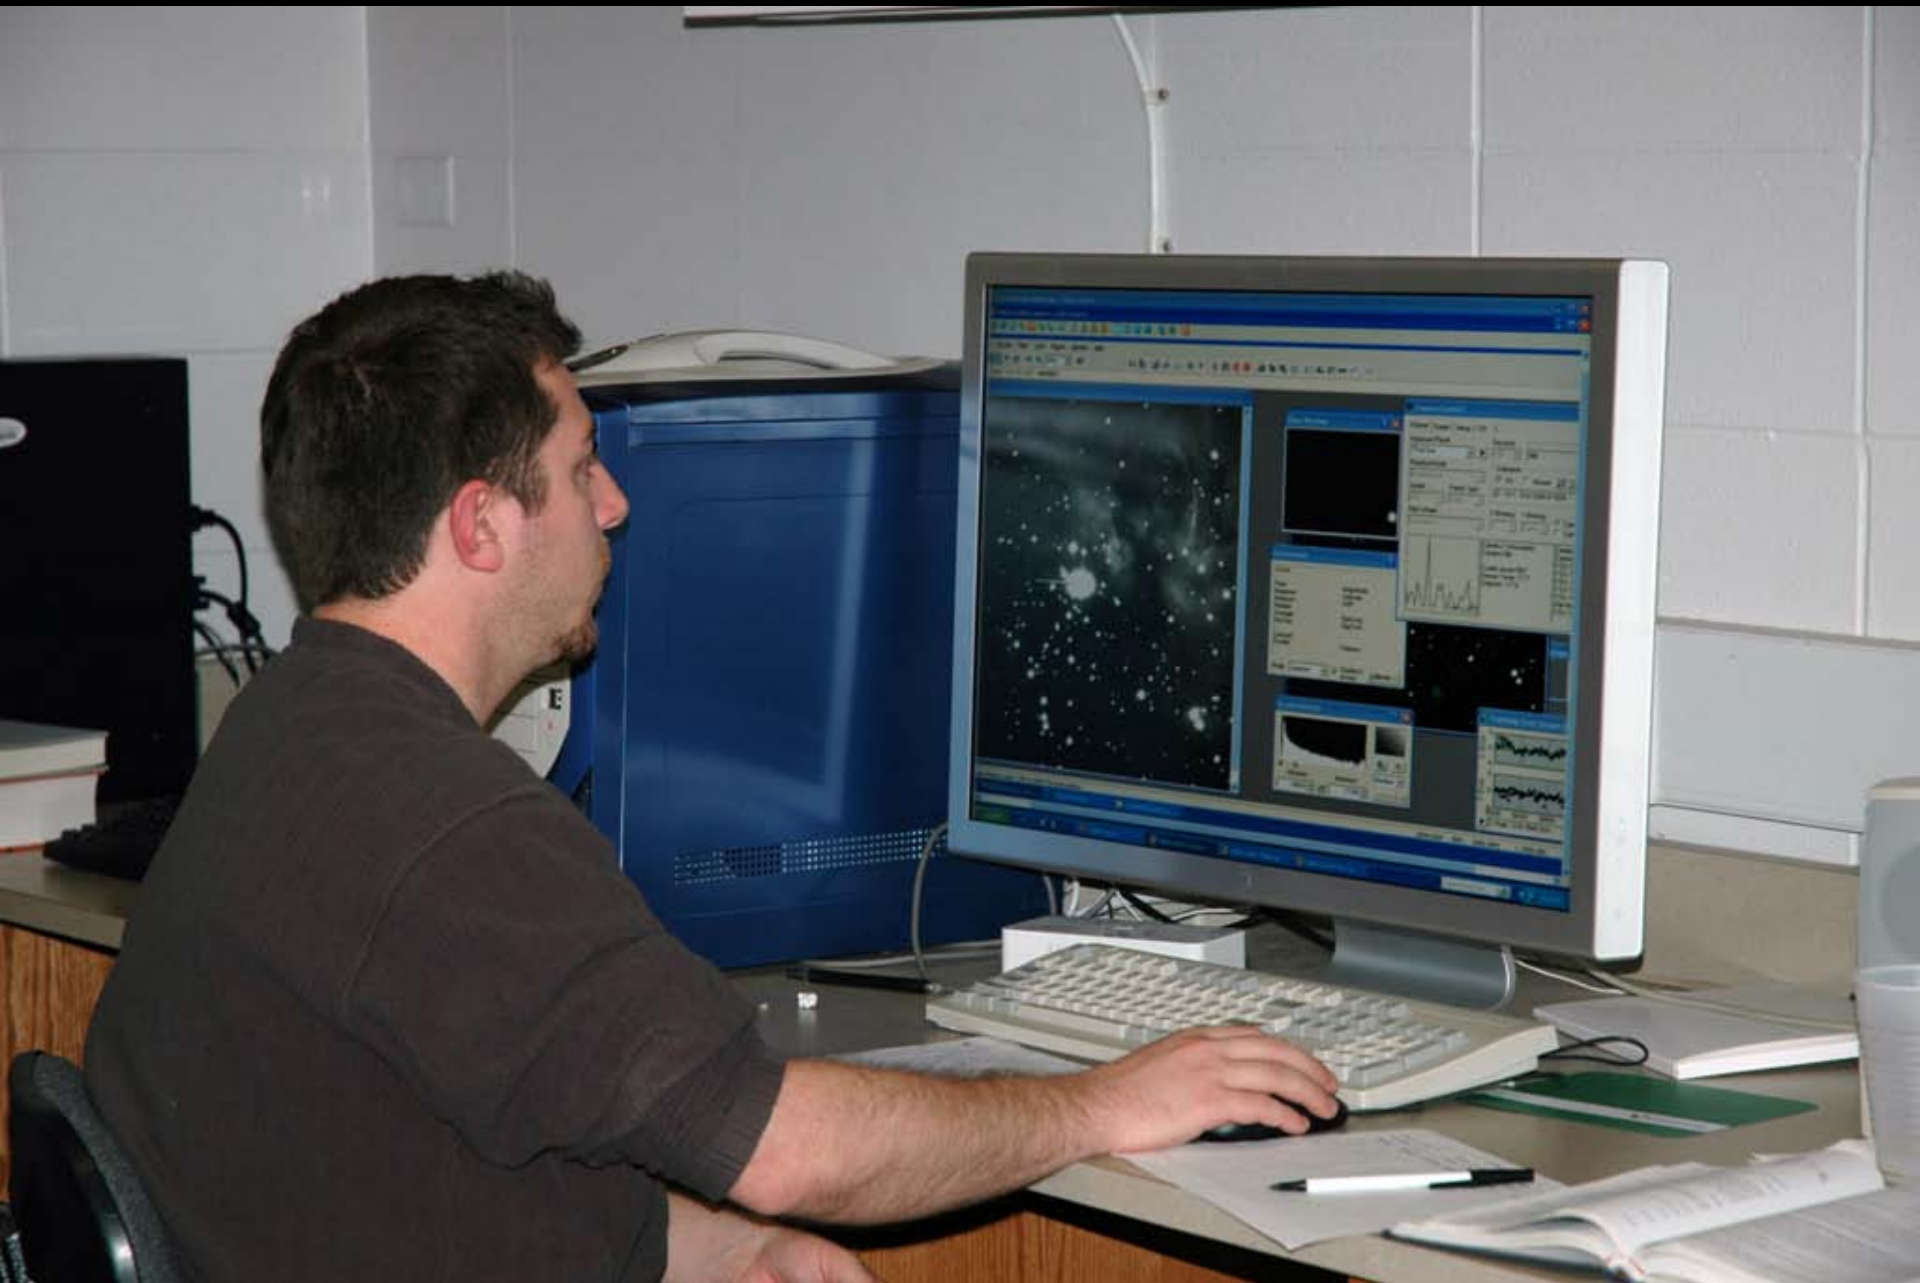

Nuclear Physics Laboratory

Nuclear Physics Laboratory

Astronomy Research Center

Astronomy Research Center

Astronomy Research Center (accessing the SARA telescope)

Ball State University Planetarium

Ball State University Planetarium
