HEADPHONES REQUIRED FOR ALL ELEMENTARY/MIDDLE SCHOOL STUDENTS—This year, all students in grades K-5 will need to have their own headphones. Once purchased, these headphones will move on with the student each year. Headphones should be those that are placed over the head—not the ear bud type. Burris is recommending Califone 3068AV Stereo/Mono Headphones and will have these for sale after school starts. The cost will be $10.00. Parents may purchase their own headphones if they do not wish to purchase those available from Burris after school starts. Please do not purchase ear buds (those that fit inside the ear).
