### It’s easy. Here’s how.

1. Enter the number of tickets you wish to purchase for each event in the blanks on the order form. Use the diagram at left to select seats for Reserved Seating shows.
2. Enter totals for each event in the total column.
3. Calculate subtotals for front and back. Carry them to lines 1 and 2 of the form at the bottom of the other side of this page.

### Pick 4+

Order 4 or more shows to create a custom package and save on single admission general public prices.
