Don’t forget to set your clocks back an hour! We don’t want students to arrive at the wrong time on Monday morning!
A Race for Secret Families

A race that one will never forget will take place in the Burris Halls on November 21st. We will be having a tricycle relay race between four elementary school teachers and four middle/high school teachers. They will be racing for an amazing cause! The donations from this event will be going to Secret Families to sponsor a family in need this holiday season! So let’s go all out for this event! We will have a table set up outside the front office before and after school November 13th through the 17th. Please put your donations in the jar of the team that you think will win the BIG race! We are so excited for this big event and to sponsor a family in need this holiday season!
This is a list of students in grades 6-12 that are on the honor roll! There are 224 students on the honor roll! That's 56.3% of our students that are on the Honor Roll!!

Snacks
& More!
Middle School Student Council would like to thank everyone who participated in SOCK-tober! Our school collected 424 pairs of socks, 43 pairs of underwear, and 16 undershirts for local individuals and families in need. That's a total of 483 clothing items! Winners of our contest were Mrs. Crehan's first period eighth grade class, who donated 61 items, and Mrs. Juday's fifth grade class, who donated 114 items. All items will be donated to the Muncie Mission.
Human Performance Laboratory
Invites everyone for a special guest lecture by:

Claude Bouchard, PhD

Thoughts on the Biology of Cardiorespiratory Fitness

Date: November 9, 2017
Time: 4:00pm to 5:00pm
Location: Health and Physical Activities Building (HP 200)

Dr. Claude Bouchard is the John W. Barton, Sr. Endowed Chair in Genetics and Nutrition in the Pennington Biomedical Research Center at Louisiana State University. His research focuses on the genetics of obesity and the comorbidities associated with it. Additionally, Bouchard was the coordinator behind the HERITAGE Family Study which aimed to determine the hereditary variables associated with exercise adaptations. Over 120 publications came from the study and proved to be revolutionary in the field of exercise genetics. He and his group at the Pennington Biomedical Research Center are now involved in the Molecular Transducers of Physical Activity Consortium, along with Ball State University, which aims to map out the genomic, proteomic, and metabolomic markers associated with acute and chronic exercise training. Dr. Bouchard is considered one of the world’s foremost leaders in the field of exercise and human genomics.
Mummy Wrapping In 3rd Grade!
Seventh Graders in Mrs. Crehan’s class working on Cuneiform writing.
APUSH students participated in the Follow the North Star immersive activity on Nov. 2. Students traveled to Conner Prairie and took the roles of runaway slaves in 1836. Following clues and instructions for the experience, students completed the experience with a debriefing discussion with Conner Prairie staff about empathy, relationships and application of our knowledge of history.
Our all A’s Honor Roll Pizza Party!
Encourage good hand washing with your students.

IMMUNIZATIONS/PHYSICALS

If you have received a letter/email stating your student needs immunizations or a physical turned into the nurse please do so as soon as possible. Student immunizations must be up to date for their grade level when the school year begins.

Clinic Needs: We could use feminine care pads. The clinic can always use boys and girls socks and underwear, shorts, leggings, pants and t-shirts for elementary aged students.

CHAPPED LIPS…..If your student has chapped lips….put chap stick in their back pack. Chap stick is not kept in the clinic.

Medications:
Please remember that PARENTS should bring medications to the clinic. Students are not to bring medications to the clinic. Parents must sign a medication administration form for OTC medications to be administered.

Prescription Medications:
Should have a note from the physician with student’s name, directions and have a signature. Pharmacy labels are NOT a signed order. Parent completes the administration form. Prescription medications MUST have a SIGNED physician order. All medications must be in the original pharmacy bottle.

Over the Counter Medications: Parent brings in medication in original pharmacy bottle NOT in a baggie… and complete administration form. Please remember that OTC medications should be Tylenol, ibuprofen for headaches, pain from orthodontics, cold and cough medications can be given before and after school. The school does not provide OTC medications. Parents must bring in a supply for their students. You may bring in cough drops for your student.

Clinic Needs: We could use feminine care pads. The clinic can always use boys and girls socks and underwear, shorts, leggings, pants and t-shirts for elementary aged students.
Attention High School boys... tryouts for the basketball team will start on Monday at Ball gym at 6:00 am. Boys Swimming and diving will start their mandatory practices on Monday as well. Please visit http://www.burrisathletics.com for further information on their schedules.

Owl fans, the Athletic department is selling Owl Discount cards with 19 local vendors listed, and access to national database of vendors for only $10! Local discounts are free frys with a purchase of a chicken sandwich from Chick-fil-e, $3 off a family size pizza from Papa Murphy’s, 20 % of your total purchase at IHOP, BOGO chicken sandwich from Culver’s and BOGO whoppers from Burger King. Using the national database will get you $2 off a dozen donuts from Concannon’s, BOGO Large Pizza from Papa Johns, $3 off at McAlister’s Deli and 10% off service bill at Meineke Car Care and plenty more. All discounts are valid through September 2018. If you are interested in purchasing a discount card please see Mr. Wlodarek or you may purchase at a home sporting event next month.

Good luck to the Lady Owls Varsity Basketball team, Burris Boys Middle School Basketball team and the Elementary Boys Basketball team in their season openers this upcoming week.
Our Mission

Burris Laboratory School fosters a culture of respect and trust where every student is challenged to pursue excellence by engaging in a well-rounded, technologically-enhanced, rigorous curriculum in a safe and secure environment. As a model school, engaged in best-practice research and the preparation of highly effective educators, we collaborate with community partners to prepare students for success in an ever-changing world.
